BULGARIA OVERRUN WITH NAZI TROOPS HEADED FOR BOTH GREECE AND TURKEY

TURKEY AND GREECE SPEEDING UP DEFENSE OF BORDERS MONDAY

ARMORED GERMAN TROOPS RACING TO FRONTIERS OF BRITISH BALKAN ALLIES

By The Associated Press

Turkey and Greece were declared to be speeding border defenses today as German armored troops overran Bulgaria and raced to the frontiers of Britain's allies in the Balkans.

Dispatches from the troubled zone reported this development and said Turkey had called up all naval reservists, rushed warships to the Dardanelles and barred passage of that strategic waterway between the Black Sea and the Mediterranean to all ships without a permit.

Nazi legions, swarming across pontoon bridges spanning the Danube, were reported to have quickly established positions at four Bulgarian towns within rapid striking distance of Greece or Turkey.

Field Marshal General Sigmund List, commander-in-chief of Germany's Balkan armies, was said to have established headquarters in Sofia.

As the Nazis' fateful march developed, speculation arose that Adolf Hitler would bring immediate pressure on Greece to seek peace with Italy or face a German invasion.

Turkish Conference.

The Turkish general staff met in a day-long secret session at Ankara as fresh Turkish troops were reported moving out of Istanbul toward the Bulgarian frontier.

Unconfirmed reports said Nazi U-boats assembled at the Rumanian naval base in Constanta had arrived at Bulgaria Black Sea ports, within 120 miles of the Bosporus, eastern gate of the Sea of Marmara.

Athens dispatches said Britain's Foreign Secretary Anthony Eden was discussing with Greek leaders the question of rushing British aid for Greece in the event of a Nazi assault.

In Rome, Fascist editor Virginio Gayda declared the British have already begun landing strong forces at the Greek port of Salonika.

In Sofia, capital of Bulgaria, British minister George W. Rendel informed King Boris III that Britain would break off diplomatic relations with Bulgaria, probably

OLD MAN TEXAS TO GET INKLING TAXES HE'LL HAVE TO PAY

HOUSE TAXATION COMMITTEE EXPECTED MAKE KNOWN PROGRAM THIS WEEK

AUSTIN, March 3.—(AP)—John Q. Citizen perhaps will find out this week what kind of additional state taxes the important house revenue and taxation committee thinks he ought to pay.

A five-man sub-committee said it hoped to have a tax bill ready for presentation to the main committee by tomorrow or Wednesday. Many persons believed that the main body would act on the bill almost immediately. The legislative session already is 48 days old, and tax hearings were started Feb. 11.

Members of the sub-group stated the bill they first would recommend likely would levy new or higher taxes on several things. They had not made the details public, but it appeared that oil,

Oklahoma Troops Got Good Workout; Payday Due Soon

ABILENE, March 3.—(AP)—Soldiers of the 45th Division, having settled themselves in Camp Barkeley following Friday's record motor movement from Fort Sill, had their first good drill in ten days this morning. Muddy weather had stopped such training more than a week before their move.

Meanwhile, 660 trucks left Fort Sill early this morning for Camp Barkeley, carrying approximately 500 men and a large quantity of tentage, artillery supplies and other freight. Today's movement was divived between two routes, the same as those followed Friday when more than 10,000 men were moved here.

Units moving today included service companies of three artillery regiments, Company C of the

DARDANELLES CLOSED TO ALL SHIPS EXCEPT THOSE WITH PERMITS

STRATEGIC PASSAGE MINED ALL EXCEPT NARROW PASSAGE; TURNEY IS CALM

ISTANBUL, March 3.—(AP)—The Turkish navy has mined all except a narrow channel in the strategic Dardanelles Straits, it was disclosed authoritatively today.

The mining followed closing of the Dardanelles to all ships except those given special permits and employing Turkish naval pilots. Turkish naval units also had been reported steaming toward the Dardanelles.

Ships seeking permission to pass through the Straits, connecting the Aegean Sea and the Sea of Marmara, must notify Turkish naval authorities by wireless six hours before the transit is to begin and give full identification.

Turkey was calm as German armies swarmed into Bulgara. At

SENATE LEADERSHIP IS DETERMINED TO SECURE AID ACTION

SENATOR WALSH OF MASSACHUSETTS FLAYS LEASE-LEND MEASURE MONDAY

WASHINGTON, March 3.—(AP)—Th senate leadership announced today its determination to obtain action on the British aid bill by this week end, and Democratic Leader Barkeley said he was considering a move to limit debate on the measure.

Barkeley conferred on strategy with Chairman George (D-Ga.) of the senate foreign relations committee and announced afterward that every effort would be made to obtain a vote by Saturday.

One administration leader, asking not to be quoted by name, asserted that "we are going to give them (the opposition) another day or so, and if they are still talking we will have to exercise what pressure we can to prevent a full-fledged filibuster."

Barkeley told reporters he was thinking of asking the senate to agree unanimously to curtail debate. This proposal, which was expected to be blocked by opposition senators, would precede any effort to force night sessions.

Today's debate on the bill brought speeches of support from Senators Tunnell (D-Del) and SRmathers (D-NJ), while Senator Walsh (D-Mass) awaited his turn

TEXAS SENATE ASKS CONGRESS TO FORCE MEDIATION STRIKES

LABOR DISPUTES DURING PERIOD OF NATIONAL EMERGENCY BE ARBITRATED

AUSTIN, Mar. 7.—(AP)—Without a dissenting vote the Texas senate today approved a resolution asking congress to substitute mandatory arbitration and mediation for strikes and lockouts in settling labor disputes during the period of national emergency.

Behind the urgings of Senator John Lee Smith of Throckmorton, a former army officer, colleagues agreed that strikes in defense industries were a threat to preparedness.

The resolution was pending from last week at which time some members asked for an opportunity to study it further on grounds it might jeopardize the rights of labor or employers.

Smith noted that since he introduced the resolution William S. Knudsen, director of the office of production management, had recommended similar legislation. The resolution was amended to include Knudsen's suggestion.

Aroused by distribution in the house of an unsigned circular attacking the railroad commission, Rep. Howard Hartzog of Port Lavaca asked that the sergeant-at-arms determine the origin of the

MORE THAN THIRD U. S. EXPORT TRADE SUBJECT RESTRAINT

INTERESTS OF NATIONAL DEFENSE PLACES THOUSANDS ARTICLES ON CONTROL LIST

By LLOYD LEHRBAS

WASHINGTON, March 3.—(AP)—More than one-third of the United States' $4,000,000,000 export trade is now subject to control restrictions "in the interests of national defense."

There are approximately 2,500 articles on the control list today, and the list is steadily lengthening.

The defense-inspired restrictions cover a large portion of normal Russian and Japanese purchases here, and in numerous instances have had the incidental effect of preventing these two nations from needed supplies in American markets, or reducing the amounts obtained.

A survey by the office of General Russell L. Maxwell, administrator of export control, shows that, on a valuation basis, approximately 35 per cent of ship-

MRS. HELEN BRIGHT, PIONEER CORSICANA RESIDENT, IS BURIED

LONG-TIME RESIDENT HERE PASSED AWAY LATE SATURDAY; ILL MANY WEEKS

Mrs. Helen Bright, aged 92 years, native Texan and pioneer resident of Corsicana, died at the family home, 503 South Fifteenth street Saturday afternoon at 5:30 o'clock. She had been in declining health for some time.

Funeral services were held Monday morning at 11 o'clock the residence with burial in Oakwood cemetery. The rites were conducted by Rev. C. R. Haden, rector or St. John's Episcopal church.

Surviving is a daughter, Mrs. May Bright Fox of Corsicana, former assistant county school superintendent here for a number of years.

A native of Montgomery county, Mrs. Bright came to Corsicana in 1873, immediately following her marriage to the late Judge W. R. Bright, well known Corsicana pioneer.

Pallbearers were Carl Patterson, C. L. Jester, John B. Davis, Dr. Dubart Miller, T. J. Hickey, Hubert Redden, Grady Wilemon, school superintendent at Kerens; R. N. Elliott, A. G. Elliott and C. A. Gordon.

Honorary pallbearers were C. G. Strickland, H. H. Hanks, W. B. Payne, Beauford H. Jester, L. B. Bonner, F. B. McKie, O. L. Albritton, A. B. Douglass, A. G. Steele, J. C. Watson, C. W. Taylor, Dan D. Hanks, J. M. McClung, G H. Brown, McGregor; W. P. McCammon, E. Y. Cunningham, E. M. Polk, Sr., Franklin Seale, J. J. Bryant, Dude Ransom and J. A. Sowell.

Sutherland-McCammon Funeral home directed the arrangements.

AGRICULTURAL BILL CALLS FOR LESS THAN BILLION NEXT YEAR

BILL, HOWEVER, MEANS THAT NEARLY BILLION AND HALF BE AVAILABLE

WASHINGTON, Mar. 3.—(AP)—A bill appropriating $890,824,370 for the 1942 farm program ond other activities of the agriculture department was sent to the house today by its appropriations committee.

This total was a reduction of $4,927,934 from the budget estimates and a $193,023,502 cut from the appropriation for the current year.

A technical change in manner of financing parity payments was responsible chiefly for the large size of the latter reduction.

The bill means that $1,420,977,559 will be available to the department next year, by virtue of permanent appropriations, re-appropriations, power to borrow from the Reconstruction Finance Corporation and authority to make contracts for $162,000,000 in parity payments. The over-all total for the current year was $1,477,001,061.

The committee proposed that the usual $212,000,000 for parity payments be made available, but, instead of providing actual cash it followed President Roosevelt's suggestion that only $50,000,000 be appropriated and that the department be given authority to make commitments for the remaining $162,000,000.

Wants to Control Funds.

The President suggested in his budget message that he and the department have the power to use this money at their discretion, but the committee at the last minute eliminated that provision, without comment.

Parity payments, designed to raise farm prices to a level where farmers will have the same purchasing power they had from 1909 to 1914, have never been included

BRITAIN EXPECTED TO BREAK BULGARIAN RELATIONS QUICKLY

NEXT MOVE OF BRITAIN IN SOUTHEASTERN EUROPE SITUATION ARE SECRET

LONDON, March 3.—(AP)—Authoritative British sources declared today a break in diplomatic relations with axis-signed Bulgaria was "imminent" and would come as soon as the situation there became either "dangerous or humiliating."

That time, they added "apparently has just about been reached."

George W. Rendel, British minister to Sofia, was said to have been authorized to sever the relations "as quickly as he sees fit."

Britain shielded today her next moves in the new Southeastern European situation created by Germany's military occupation of Bulgaria except for indications the first step would be severance of diplomatic relations with Sofia.

Whether this action would be followed by air attacks on the Nazi legions or other military moves remained the secret of strategists charting the nation's war plans.

The arrival in Athens of Foreign Secretary Anthony Eden and

LONG ISLAND DIGS OUT

The miniature blizzard which hit the mid-Atlantic region left drifts which blocked many highways and almost covered cars which had to be abandoned when they stalled in the snow. Here a Long Island highway crew breaks a way for motorists near Hicksville, N. Y.

SKILLED WORKMEN ENGAGED BUILDING ARMY CAMP STRIKE

WORK ON $15,000,000 N. CAROLINA ANTI-AIRCRAFT CENTER STOPPED MONDAY

By the Associated Press.

Skilled AFL workment went on strike today at the army's $15,000,000 Camp Davis in eastern North Carolina.

An officer of the state highway patrol said between 3,000 and 4,000 men were picketing entrances of the reservation, and anti-aircraft center scheduled for completion late this month.

L. H. Rouse, business agent for the Wilmington, N. C., building trades council, announced after a union meeting last night that 5,000 workers decided on the walkout over the issue of a preferential shop, under which union men would have first call on job vacancies.

The project employs 15,000 workers, including many who are unskilled and non-union. But Rouse said he expected many of the unskilled workers would support the strike. A representative of the firm which holds the contract for the project, said the act'on resulted from "outside agitation."

Meanwhile government conciliators got together with company and union representatives in an effort to settle strikes at four International Harvester Company

CONGRESS INFORMED $27,136,900 NEEDED BY TEXAS WATERWAYS

MORE THAN FIFTEEN MILLION WOULD BE USED FOR DENISON CONSTRUCTION

WASHIGTON, March 3.—(AP)—Congress was informed today by army engineers that $27,139,900 could be profitably expended on Texas waterways during the 1942 fiscal year, including $15,360,200 for continuing construction at Red River dam near Denison.

The sum was in addition to any unexpended funds already available for Texas improvements. For the Denison dam it was estimated that with expenditure of the $15,360,200 the $54,000,000 flood control-power project would be 59 percent complete at the end of the fiscal period beginning July 1.

A sum of $6,250,000 was listed as estimated expenditure should congress see fit to appropriate it for flood control improvements on Buffalo Bayou, at the head of the Houston Ship Channel. Navigation projects accounted for the remaininng $6,526,700.

The engineers explained that the mentioned for the Denison dam, if appropriated, would be spent as follows:

Engineering studies and exploration, $300,000; acquisition and clearing land for reservoir area, $2,930,000; operation service, railroad $8,000; outlet works structures, materials, $150,000; embank-

See TEXAS PROJECTS, Page 6

EARLY PAYMENTS OF INCOME TAXES REACH 58 PERCENT INCREASE

LESS THAN HALF OF EXPECTED 15,000,000 PERSONS MADE RETURNS TO DATE

WASHINGTON, March 3.—(AP)—The treasury reported today that early income tax payments were running 58 per cent ahead of a year ago under the new defense tax system which requires more Americans to pay more taxes than ever before.

The budget calls for a 46 per cent gain, but how this expectation will fare depends on the record of the next several days when 10,000,000 taxpayers slide in under the March 15 deadline for filing income returns. Less than half that number have filed so far.

Soon after the defense program began, the administration and congress looked to the income tax to help pay part of the extra burdens. Tax rates were raised; exemptions were lowered.

Only the young men called for selective service were given a "break." They were not excused from filing returns, but were granted a moratorium on paying the tax until six months after their military duty ends.

Altogether, the treasury expects 15,000,000 individuals and 3,500,000 coroprations to file return this year—but only about half of the returns will show enough income to require payment of the tax.

For the average person, the most important change congress made in the law was to reduce personal exemptions from $2,500 to $2,000 for family heads, and

THOUSANDS TEXANS CELEBRATED 105TH INDEPENDENCE DAY

CELEBRATION AT OLD WASHINGTON DEDICATED TO MEMORY OF RICHARD ELLIS

WASHINGTON-ON-THE-BRAZ-March 3.—(AP)—Gathered here to celebrate the 105th anniversary of the Declaration of Texas Independence, more than 10,000 Texans yesterday heard speakers urge they dedicate themselves to preservation of a heritage of freedom.

Gov. W. Lee O'Daniel declared that the heritage from the forefathers of Texas "can be preserved only by the faithfulness, the statesmanship, the integrity of Texas of 1941."

He spoke on a program which incuuded addresses by former Gov. James V. Allred, now a federal judge, and Brigadier W. G. Gilks of the Salvation Army, National chaplain of the American Legion.

The celebration, staged in Washington State Park, was dedicated to the memory of Richard Ellis, president of the convention which, on March 2, 1836, declared Texas a nation.

The governor enumerated the principles set out in the Declaration of Texas Independence, then declared.

"If it was worth the lives of our forefathers to obtain these previous privileges, it is worth our lives to preserve them.

"Ours is a heritage which must be preserved as well as enjoyed. Ours a past which must be renewed as well as revered; ours a history which must be projected into the light of a new and yet brighter day."

Judge Allred sketched the life of Ellis, then said the world today faced the same problems the oppressed province of Texas faced in 1836.

Brigadier Gilks, discussing the role of religion in the progress of civilzation, asserted that the history of a free people inevitably is closely linked with the history of their spiritual growth.

Italy Claims Victory.

ROME, March 3.—(AP)—Italy claimed to have killed or captured a large part of 300 men of the "50th British assault battalion" which, a communique said, was the landing force which seized the Italian Island of Castelrosso off the Turkish coast and held it for three days last week.

INVASION OF NAZIS EXPECTED TO BRING BREAK WITH BRITAIN

SOFIA TAKES ON AIR OF MILITARY CAMP AS GERMAN OFFICERS ARRIVE

SOFIA, Bulgaria, Mar. 3.—(AP)—Reports filtering into Sofia from the provinces today said the entire country was filling up with German troops moving southward toward Greece and southeast toward Turkey.

The vanguard of these troops already has reached the Greek frontier—at one point only 65 miles from vital Salonika—and it was understood here that Britain probably would break off diplomatic relations with Bulgaria by mid-week.

King Boris III was said by a highly reliable source to have given British Minister George W. Rendel, no encouragement to remain here when the two conferred last night. Previously, Rendel was said to have informed the king that the break probably would come tomorrow and that a state of war "undoubtedly" would follow.

(Rendel has been given a free hand by the British government.)

Sofia itself rapidly took on the aspect of a military camp, with hundreds of Nazi officers arriving hourly.

Members of the local Fascist organizations, their hands upraised in the Nazi salute, headed for the German legation, which was surrounded by German armored trucks. Hundreds of shouting and cheering Bulgarian Legionnaires paraded through the streets.

Crowds Watch Silently.

Crowds taking a holiday promenade on this sixty-third anniversary of Bulgaria's independence watched the Fascist paraders silently.

The Turkish naval ministry closed the Dardanelles—strategic strait forming one of the links between the Black Sea and the Aegean—to ships save those with special permits and carrying Turkish pilots. Turkish naval units were reported steaming toward the narrow passage.

Almost every country in Southeastern Europe reacted swiftly to the rush of events which followed Bulgaria's formal aadherence to the axis alliance Saturday and occupation of the kingdom by Nazi soldiers.

The kaleidoscopic Balkan picture included these developments:

Proclamation

Whereas we are a corporate body connected by the ideals of democracy with our beleaguered English brothers, and since, as an organized community, we do deeply sympathize with them in their battle to preserve these, our mutual ideals; and

Whereas the Bundles for Britain Campaign has been undertaken by the Kinsloe House Association Civic Interest Committee and will be vigorously pushed to its climax on March 7th; and,

Whereas the Corsicana chapter of the American Red Cross is actively working to provide the necessities of life to British civilians and fighting men,

Therefore, I, John C. Calhoun, Mayor of Corsicana, by virtue of the power vested in me, do hereby proclaim the week of March 2nd to 8th "Aid to British Week," and do urge all our citizens to co-operate with both these worthy organizations and give them their wholehearted support.

Signed: JOHN C. CALHOUN, Mayor.
Corsicana, Texas, March 3, 1941.

WEST TEXAS LEGISLATOR WOULD WIPE OUT GREATER PART STATE CONSTITUTION IN REWRITE PLAN

AUSTIN, March 3.—(AP)—A West Texas legislator who thinks about 75 per cent of the state constitution should be wiped out and properly placed on the statutes instead has offered the machinery for performing the job.

Rep. Taylor White of Odessa, a business man holding his first public office, is the author of a resolution he believes could result in rewriting the constitution to meet present day needs and accomplish governmental reorganization.

The resolution ran into opposition when read for the first time in the house today, and quickly was referred to the judiciary committee for study.

It calls for a 15-member committee, five named by the governor, five by the speaker of the house and five by the senate president, to draft a new document and submit it to the next legislature which in turn could submit it to the people.

The present constitution adopted in 1876—the fifth since Texas became a state—has become outmoded, White believes.

If not, why the multitude of proposed amendments offered every time the legislature meets? he asks.

There are 16 in the house this session. And almost yearly for the past two decades the people have been approving or rejecting others.

"The constitution was written when Texas emerged from carpetbag rule and there is no need for that kind of a document today,"

See CONSTITUTION, Page 6

WHAT WILL HAPPEN IN BALKANS STILL DEPENDS TO GREAT EXTENT UPON WHAT STAND TURKEY TAKES

By DEWITT MACKENZIE
Associated Press Staff Writer

The Dardanelles, battle zone of the ages, likely will be the barometer that will tell us whether a hurricane is to sweep the Balkans or whether Herr Hitler is right in thinking that he will get calm weather for his further military maneuvers.

The situation today is tense. Any nazi threat, or suggestion of threat, against the Dardanelles probably would let hell loose.

This strait—one of the most important positions strategically in the whole world—is vital to many powers, who would like it for themselves, and at least insist that this gateway between the Black Sea and the Mediterranean remain unmolested.

We have a position in which Russia might strike if the strait were endangered, or at least give Turkey moral and material backing to defend this position. If Turkey ever would fight, it would be to protect this great trust and heritage, which involves her sovereignty.

So once more we come bang up against the conclusion that much depends on Turkey's attitude, and that in turn hinges in large degree on the stand adopted by the Muscovites.

The nazi press declares that the military occupation of Bulgaria will enable Germany to prevent any British effort to "disturb the peace in the Balkans, that is, to open up a new war front in that zone. The indications thus

CORSICANA, TEX., MAR. 4, 1941

LATERAL ROAD PROGRAM.

One of the most valuable movements for Navarro County inaugurated in years is the "farm-to-market" road program started to be expended during the next two years for neighborhood roads connecting with the present net-work of highways radiating from Corsicana, if plans of the commissioners court are realized. The program was put forward by Judge E. D. McCormick. The road-construction program, a WPA proposition, will be carried out in all commissioners' precincts.

The roads are to be all-weather affairs on present routes and locations. The court does not expect to purchase any right-of-way, keeping all money available for construction.

No additional tax levy is contemplated. The refund to Navarro County from the bond assumption act is calculated to care for the interest and maturities over a period of some 15 or 20 years time. Warrants issued for the sponsor's part will be funded into revenue bonds at a low interest rate.

Such a system of lateral roads will interest farmers to improve their farms, thereby increasing their value. It will allow school busses to be operated at considerable saving and give more rural children the benefits of high school educations; it will reduce maintenance cost of roads; cause extension of milk routes, and other benefits.

The project has been approved in Washington; an agreeement has been made with bonding concerns for financing, and an engineer has been hired to work up the initial projects. And hundreds of unemployed persons will be given work during the construction period.

LONG LIFE WITH WISDOM

A professor of biochemistry says it may be possible to enable a man to live a healthy and normal life until the age of 185. There are many "ifs" between the thought and its fulfillment. Yet in tests made with rabbits, the experimenters have been able to reverse the symptoms of old age and greatly prolong the rabbits' lives.

Not everybody in this troubled period will regard such an outlook as desirable. It is true, such interesting things are happening today and the course is so problematical, that living long enough to see how it all comes out is appealing. On the other hand, if the end justifies the gloomest forebodings of the present day, the 115 years (after the four score and ten) might seem much too long. We'd have to change the wisescrack to "the last 100 years are the hardest."

It is to be hoped that the chemists who produce a formula for such longevity will at the same time produce something to make the longer-lived humans behave more humanely and intelligently.

BUSINESS CONDITIONS

Uncle Sam himself doesn't know exactly what he's getting into nowadays, nor does anybody. There might be inflation and high prices, and that's what most prophets have expected, but there isn't much sign of it yet. Stock prices have gone down. We are coming into a conflict of normal production and military production, and where both are not possible the latter is bound to win.

Business men, while expecting a big turn-over, are not expecting to make fortunes out of war business this time, because income taxes are very high in the upper brackets.

So on the whole, while there is great industrial and commercial activity, there is no such excitement as we had at this stage of the World War, and most people are not expecting it. We are very busy, but rather glum about it. Wages are mostly good, and the wage-earners seem more cheerful than their employers. They may benefit more by the war boom.

NEW "NATURAL RESOURCES"

Americans are becoming plastic-conscious. They realize that almost anything formerly made of metal, wood, or other materials can now be made of plastics and that the new products are often stronger and better in other ways than the originals they replace. At first some of the new materials cost too much to be widely used, but that production problem is rapidly being overcome.

Authorities tell the world now that plastics will play an important role in defense industry, that they will revolutionize industrial processes, and so on. Lamp reflectors, scale and thermostat housings, radio cabinets, brushes and wearing apparel are only a few of the many new uses to which they are put, and the end is not in sight.

Milk, plant fibers, soybeans, are among the sources of such plastics. The researchers in chemical laboratories are the prospectors who discover the possibilities. When production methods have been mastered, the materials can be produced anywhere.

What does all this do to the "have" and "have-not" arguments of nations? If it isn't going to matter, in another generatiton or two, whether a nation has its own essential metals, oil, and other raw materials, because improved substitutes can be made from humble and common substances close at hand everywhere, there won't be any more have-not peoples. Ingenuity and enterprise will be more important than mines and wells.

JUST FOLKS

(Copyright, 1937, Edgar A. Guest)

CURE FOR PHOBIAS

Excuse me while I go on a little trip, pop said.

Meaning in back of the sporting page.

The last census of Sweden, Dec. 31, 1938, showed 6,310,214 residents, of whom the majority were females.

The Maya calendar of 18 months of 20 days each, with five days additional each year, still is used in the interior of Guatemala.

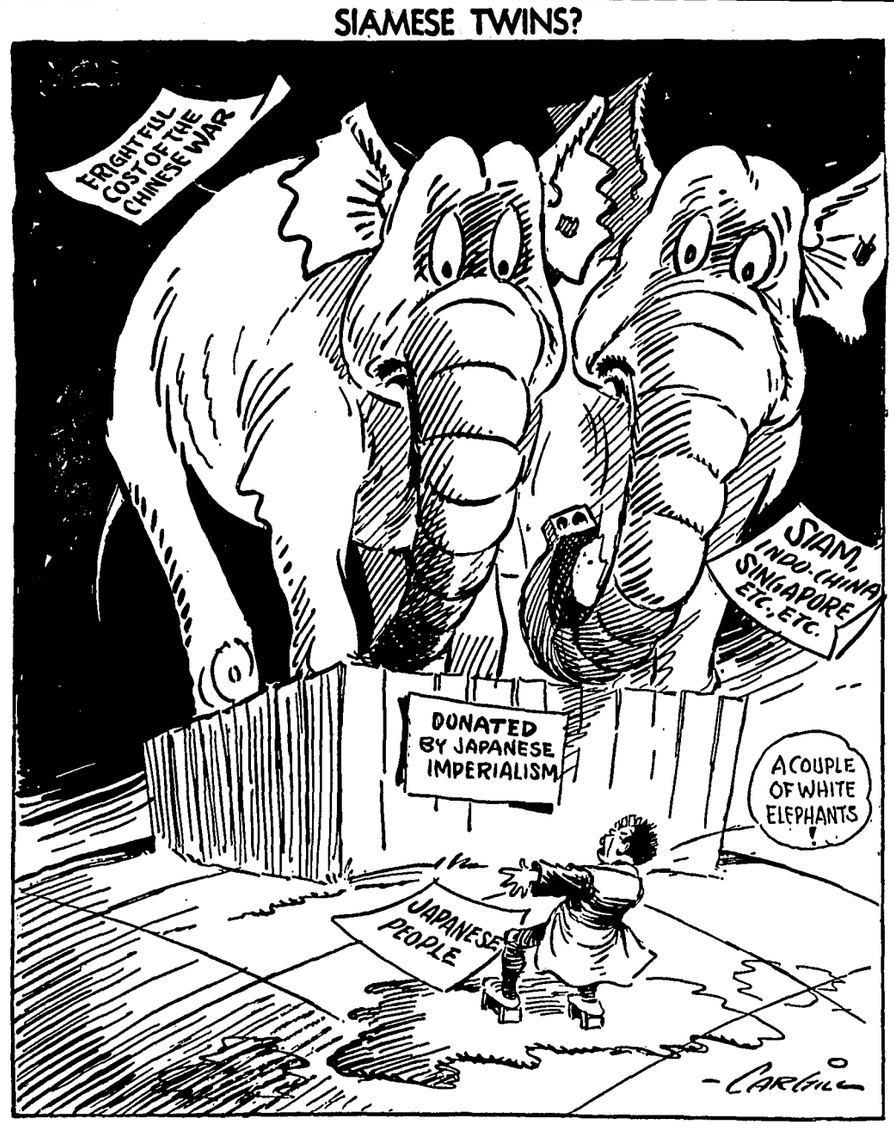

CURE FOR PHOBIAS.

Feeling sick and getting sicker,
Thumb your pulse and think it quicker?
Mop your brow and wonder what
Makes the room appear so hot?
Do you sit alone off yonder
On disease and death to ponder?
You've a case no pill can touch,
Thinking of yourself too much.
It will get you if you let it.
Just keep busy and forget it!

Here's the cure for countless cases
Every family doctor faces.
He's too polite to tell it
Or too businesslike to sell it.
Half the miseries we endure
Staying busy soon would cure.
Most of us in lanquor's clutch
Think about ourselves too much.
Fear will get you if you let it.
Just keep going and forget it.

Just forget yourself, my brother.
Go from one task to another.
Find a job and want to do it,
Then whole-heartedly go to it!
Quit your fretting and your stewing,
Stop your aches and pains reviewing,
For a lot of human ills,
Work's a better cure than pills.
Death! So far you haven't met it!
Just stay busy and forget it.

SIAMESE TWINS?

CENTRAL TEXAS TEACHERS TO MEET AUSTIN MARCH 7-8

Approximately 2,000 teachers from 14 Central Texas counties are expected to attend the annual two-day convention of the Central Texas division of the Texas State Teachers Association in Austin, March 7-8.

Superintendent W. H. Norwood of the Corsicana schools will head a delegation from the local school system. O. P. Douglas, principal of the senior high school, is a member of the general program committee.

Prominent educators scheduled to address the convention include Dr. Carlton Washburn, superintendent of Winnetka, Ill., public schools; Dr. E. T. McSwain, associate professor of education, Northwestern University; Dr. H. Gordon Hullfish, professor of education in Ohio State University, and Dr. Maycie Southall, professor of elementary education, George Peabody College for Teachers. Several other outstanding speakers are slated to address the various sessions. I naddition an extensive entertainment program has been arranged for the visiting teachers.

Odd Fellows Home Band Be Attired In Snappy Uniforms

Members of the IOOF Home band will be attired in new snappy uniforms when the Home auditorium is dedicated Sunday, March 9, and the annual trip made to the sessions of the Grand Lodge of Texas, IOOF, at Dallas, March 16-18, it was revealed Saturday.

The coats are blue and gold with military style and gold citation cord. Pershing style caps are included while the military trousers are of light blue, trimmed in dark blue and gold stripes.

A number of new band instruments have recently been provided.

The band and glee club will appear on the Grand Lodge program.

Kerens Mayor And Bank President Are Speakers at School

KERENS, Feb. 28.—(Spl.)—Typical of the close bond between Kerens business men and the Kerens public school was the appearance of Mayor C. M. Chapman and Luther Westbrook, cashier of the First National Bank on two programs at the High school auditorium this week.

The Future Homemakers meeting on Monday had for leader Miss Margaret Westbrook, who introduced Mayor Chapman in a talk on "What the Girls in High School can Do to Help Improve Our City".

On the same evening, The Future Farmers in their regular meeting, presented Willard Mayo, class member who talked on "Value of Good Dairy Cows on Home Farms."

Following this, Mr. Westbrook was welcomed as guest speaker, and spoke capably on "The Value of Credit."

Selectees Leave For San Antonio

Twenty-three Navarro county selectees left Corsicana about 9 a. m. Friday on board a chartered bus for Fort Sam Houston, San Antonio, for induction into the army for a year of service.

A group of negroes left on Saturday, and two additional contingents are slated to leave in the first ten days of March.

News of County Home Demonstration Clubs

Mildred Club.

Cooking and serving balanced meals is an art, Mrs. A. C. Choate told the Mildred Home Demonstration Club when they met in the home of Mrs. L. C. Cook, Feb. 21.

Cooking balanced meals and serving them is a business as much as any job you can have.

Canning food to send to England was discussed and most every one thought it a good plan, and wanted to help, but the subject was left open for further discussion. Due to the bad roads we did not have enough members present to fully decide.

When the roll was called each member answered by her hobby. The hostess showed us her collection of pitchers, of which she has about 65, ranging from one-half gallon down to one teaspoon size.

The hostess assisted by Mrs. Van Gonton served pickles, cake, cream cheese and coffee to seven members and four visitors as follows: Mrs. J. M. Griffin, Mrs. Fred Gullett, Mrs. J. E. Gilmore and Mrs. V. C. Bailey, all of Corsicana, Route 5.

The next meeting will be the covered dish luncheon at the home of Mrs. Vernon Tyus, March 7.—Reporter.

Goings and Comings Of Fairfield Folk And Their Visitors

FAIRFIELD, March 1.—(Spl.)—Mrs. J. L. B. Cain is spending a few weeks in Austin with her daughter, Mrs. Joe Griffin.

Miss Ruth Hunter and her mother, Mrs. L. L. Hunter, visited in Buffalo Tuesday.

Benhard Fischer of Brownsboro spent a few days with his family here last week.

L. H. Burk of Houston was here on business Monday.

Misses Louise Anderson and Reba Benbrook of Austin spent Friday here with friends and relatives.

Mr. and Mrs. Guy Childs of Houston visited his parents, Mr. and Mrs. Lonnie Childs here last week end.

Tobie Cox, stationed at Fort Sam Houston, visited friends here the past week end.

Mrs. Billie Raniels and daughter, Martha, visited relatives in Streetman Monday.

Max Hunter, student at A. and M., visited his parents, Mr. and Mrs. L. L. Hunter here Tuesday.

Miss Celeska Walker, Mrs. Homer Lee and Miss Elsie Emmons attended the Texas Beauty Exposition at Dallas the past week.

Mr. and Mrs. John Hancock of Brownwood and Mr. and Mrs. Hubert Parker of Terrell spent the past weekend with their father, W. F. Huckaby, here.

Miss Eva Tidwell spent the week end in Alto with her mother, Mrs. J. M. Tidwell.

Mrs. J. B. Scott, Mrs. Sam Manahan and Mrs. H. E. Lane and daughter, Dell, were Mexia visitors Monday.

Mrs. Eston Turner, Mrs. Posey Dunbar and Mrs. Bonner Dunbar were Streetman visitors Wednesday.

Rev. N. K. Bigham of Gladewater visited here Friday.

Miss Elizabeth Cain, Miss Bobby McLeod, Homer Lambert and Alton Talbott visited Mr. and Mrs. Gale Henderson in Dallas Sunday.

Leslie Radford left Tuesday for Detroit, Mich., on a business trip.

Mr. and Mrs. L. E. Pevey of Austin spent the week end here.

Mrs. H. C. Granberry visited her daughter, Mrs. Van McCullan, in Crockett Thursday.

E. E. Williford and son, Carl, were Houston visitors Sunday.

Mr. and Mrs. David Clairidge and daughter, Maxine, visited friends in Huntsville last week end.

Sheriff and Mrs. J. R. Sessions accompanied their daughter, Mrs. H. E. Kirgan, and grandson to Brownwood Sunday where they met Hulen Kirgan, who accompanied them to their home in Sweetwater.

Miss Eloise Talley of West Columbia is spending the week here with her parents, Mr. and Mrs. Hood Orand.

Mrs. John Manahan and Bobby Harris were visitors in Mexia Friday.

Mr. and Mrs. Joe Richards spent last week end in New Willard.

Mrs. J. C. Cook of Long Lake visited in Fairfield Thursday.

Miss Etta Belle Owens is spending the week in Crockett.

Mrs. Ada Richards, who has been visiting her daughter, Mrs. Vernon Owens in Palestine, returned home Sunday.

Mr. and Mrs. J. W. Baldree were in Crockett Wednesday.

Mr. and Mrs. Jim Ivy, Jr., and son were in Mineral Wells Saturday.

Mrs. Jester White has been assisting in a Sunday school teachers' training course in Grand Saline this week.

Misses Mary Horn of Streetman, and Bessie Hutchins visited Miss Seleska Walker last week end.

Miss June Crane visited in Franklin last week end.

Billie Cole and Robert Cockrell of Brownwood visited friends and relatives here last week end.

Wortham Book Review.

WORTHAM, Feb. 28.—(Spd.)—The Wortham organization of the PTA are presenting Mrs. George Stubbs in book review at the high school auditorium Thursday afternoon, and have invited the public to hear Mrs. Stubbs, who always charmingly interests her audience. The book selected for the occasion is Hartzell Spence's "One Foot in Heaven."

ANOTHER SHIPMENT OF RED CROSS WAR RELIEF GARMENTS

The eighth shipment on the third quota of war relief garments accepted by the local chapter of the American Red Cross, is due to be made Wednesday afternoon of the coming week, Mrs. R. B. Mitchell, executive secretary, stated Saturday, and all organizations and individuals having completed articles are requested to turn them in Wednesday morning at the downtown Red Cross headquarters, the building directly back of the State National bank, which was formerly occupied by the P. and S. Pharmacy.

The shipment will consist mainly of women's skirts, boys' shirts, sweaters and beanies. This call does not include the articles being made for the next quota's layettes.) A committee will be on hand to inspect, label, size and bundle the articles.

Magnolia Company Now Constructing New Machine Shop

Work is under way on the construction of a new machine shop on the grounds of the Magnolia Pipeline Company near the pump station where the latest type of lathes and other machinery will be installed, it was learned from a reliable source. No official announcement for oil company officials has been made here.

The building will be 112x40 feet and machinery used by the pipeline company will be repaired here, employing 10 or more machinists with the possibility of its enlargement later. Rumors are that H. T. Jackson, present foreman of the machine shop at the Magnolia refinery, will be in charge of the new shop, and that several machinists now at the refinery will be transferred to the new job.

Threading of pipe, welding and other work will also be done at the local plant, is has been rumored.

The shop is located southwest of the present pump station on Highway 31 immediately south of the city limits.

TWENTY-FIVE BOYS TRAINING FOR TRACK TENNIS UNDER WAY

BLUE AND GOLD SPRING FOOTBALL GAME WILL END EARLY IN APRIL

By CLYDE BICKERSTAFF
Sun Sports Staff.

Two phases of the spring athletic program, track and tennis, have already been inaugurated in the Corsicana senior high school with spring football training scheduled to get under way on March 12.

Twenty-five boys have already reported for track which was started Thursday, Coach Pete Allen announced today. Training for the first few days will be restricted mostly to light conditioning exercises, he said.

Material this year is plentiful and well proportioned, the coach asserted, but added that it is too early to ascertain anything definite as to prospective speed and stamina.

District Meet April 5.

As the result of Corsicana high school being a part of an independent school district, the Tiger tracksters will go directly to the district meet in Waco, April 5, without any preliminary playoff. However, Coach Allen indicated that several practice meets will probably be arranged in the meantime.

In another sports division, tennis, Coach M. S. Cook announced today that inclement weather conditions have made it impossible for intensive practice drills which should have been under way for the past three weeks. Inexperience of the majority of those reporting for training does not serve to improve the situation either, he said.

Spear is Back.

Brightening the outlook, however, is the return of W. M. Spear, who has annexed the district singles title for the past two seasons. Spear is highly favored to repeat in this capacity this year.

Not as hard hit as might be at first expected is the Tiger football machine, although several key cogs have been knocked out by the graduation hammer.

Coach John A. Pierce announced today that the backfield this season will be composed mostly of small boys. Missing will be the hard-charging figure of William Gathright, who sparked the Tiger offense last year. Without Gathright, the Tigers will have to rely mostly on speed and deception plus a good deal of luck.

Prewitt and Plyler.

Offering plenty of encouragement is the prospective line for 1941. Anchoring it will be All-State Felto Prewitt, versatile pivot man, who has seen two years with the main Tiger squad. To return with Prewitt is Jimmy Plyler, whose 240 pounds of power has also served the Bengals with distinction for the past two years.

Those who will fill up the other positions will probably be known after the Blue and Gold game early in April, but with the exception of Prewitt and Plyler the team promises to be very light.

However, the Tigers have long been noted for turning out some of the toughest "little" teams that ever graced the gridiron.

Died in Exile

Alfonso XIII, former King of Spain, (above) died in a hotel room in Rome Friday, which had been his home in exile for a decade. Alfonso quit Spain April 14, 1931, when it was plain that the people had tired of his rule, but he declared he renounced none of his rights. However, he was never able to regain his throne.

REGISTRATION OF MOTOR VEHICLES IS NOW UNDER WAY HERE

Registration of motor vehicles in Navarro county is under way in the office of Halley Blake, assessor and collector of taxes.

Motor vehicles must be registered during the month of March. There were less than 100 registered Friday while there are approximately 7,000 in the county.

A. M. Milligan, local banker and ranch-owner, again was issued the first passenger license — 955-501. Mr. Milligan has received the first license plate for many years.

Other first plate numbers include 191-751, farm licenses; 461-501, commercial trucks, and 56-081, trailers.

It is expected the auto registration booth annually installed in the lobby of the courhouse will be erected within a few days when the registration work justifies that action. At present, the licenses are being issued in the regular assessor and collector's office.

Kerens Sorocis Club Met Tuesday at Home Of Mrs. Alvin Inmon

KERENS, Feb. 28.—(Spl.)—Mrs. Alvin Inmon entertained members of the Kerens Sorocis Club on Tuesday of this week as they met in regular assembly. In the absence of Mrs. Jack Anderson, president, Mrs. A. R. Carroll, vice president, presided over the business session and presented Mrs. Monroe Speed as leader of a delightful program on "Landscaping."

Assisting Mrs. Speed with interesting and informative talks were Mrs. Roland Shelton, who discussed "Rock Gardens," and Mrs. Finis McCluney, whose subject was "Borders or Hedges."

After the serving of a nattractive salad plate, the club was adjourned, to meet on the regulad date two weeks hence in the home of Mrs. Lacy Garrett, at which time a luncheon and forty-two party will be enjoyed.

Kerens Music Club Met on Wednesday

KERENS, Feb. 28.—(Spl.)—The Kerens Music club met in the home of Mrs. Wade Price on Wednesday afternoon with Miss Pauline Dahnke, school faculty member, co-hostess. Groupings of jonquils narcissi, and violets were used in house decoration.

After the necessary business presided over by Mrs. Price, who is club president, the meeting was turned over to Mrs. R. H. Logan, leader of the following program on "Music and the Dance,"

"Nyinsky on the Russian Ballet" leader.

"Stravinsky and Da Talla, composers of the Dance," Mrs. Brook Smith.

Choral Sing Club, with Mrs. A. S. Pritchard, directing.

Delectable plates were served during the social period and the club welcomed Mrs. William McCluney of Duncan, Okla., as a guest.

NAME REV. C. R. HADEN COUNTY CHAIRMAN FOR BUNDLES FOR BRITAIN

COMMITTEES ANNOUNCED AND SUCCESSFUL CAMPAIGN ANTICIPATED

The Rev. C. R. Haden has been appointed county chairman of the Bundles for Britain campaign undertaken by the Kinsloe House Association as a result of requests from several towns in the county to be permitted to hold drives and add their contributions to those from Corsicana.

Mrs. Claude L. White, who is heading the campaign, announced today that Mrs. T. H. Ware of Rice, representing the Christian Social Relations committee of the Methodist church there, is heading a drive which is to include everyone in that community.

Mrs. Ditt McCormick, Frost, has notified Corsicana headquarters that the Woman's Club of Frost is conducting a campaign there in co-operation with the Corsicana organization.

CENTRAL TEXAS SCHOOL HEADS MET HERE ON SATURDAY

An all-day conference of superintendents and high school principals from school systems throughout Central Texas was held at the Corsicana high school Saturday, at which time Dr. J. G. Umstattd, professor of education at the University of Texas, explained the merits of an "evaluative program" in high schools.

evaluation period of six to 12 months, inspection of the school system by a visiting committee of educators and judgment for membership in the association.

Planned on the basis of 1,100 answers by schools over the country to the question, "What are the characteristics of a good high school?" the evaluative criteria check more than 450 details of a high school's program, Dr. Umstattd explained.

Corsicana is one of eight schools over the state including Beaumont, Lubbuck, Dallas and Houston used as "springboards" for inauguration of "evaluative programs" in their areas. Dr. Umstattd added.

DETAILS CORSICANA SPRING LIVESTOCK SHOW ANNOUNCED

ENTRIES OPEN BOYS OF SEVEN COUNTIES WITH EXTENSIVE PRIZE LIST

Awards for prize animals and for the best showmen have been included in the plans of the Corsicana Livestock and Agricultural Show for the first annual Boys' Spring Livestock Exhibit which will be held on the fair grounds on Friday, March 28, with a total of $96 in cash offered in addition to other prizes, according to the details released during the week by A. P. Bralley, assistant county agent in charge of this work.

Plans for the show include judging in the baby beef division with three classes, an auction sale for those who desire to participate, and a swine and fat lamb division in addition to a showmanship contest.

Ralph Stell is chairman of the beef division with Bill Hendry of the Jenkins Hereford Ranch at Normangee, formerly superintendent of the Anderson Ranch at Forreston, as judge. Entries will be limited to regular enrolled members of FFA chapters and 4-H Clubs in Navarro, Hill, Ellis, Limestone, Freestone, Anderson and Henderson Counties.

All calves and other animals must be in place by 9 a. m. on the date of the show and officials prefer they be brought in on the previous date. All entries must be made by March 15, and entry blanks may be secured from the Corsicana Chamber of Commerce, extension service agents, or vocational teachers. Purebred, grade or crossbred animals may be entered. The competition will include dry fed, milk fed, and feeder classes.

In the dry lot and milk fed divisions eight places have been arranged in the prize list ranging from $7 for first place to $2 for the fifth to eighth places. In the feeder division, entrants will draw for prizes with $5 offered for the first three places, and $2 for the last three. A grand champion ribbon is also offered.

L. S. "Tiny" Keen is chairman of the swine and fat lamb division, and Guy Powell, county agent at Gatesville will be the judge. Prizes ranging from $2. for first place to fifty cents for fourth through eighth places are offered for entries in the fat barrow, gilt, and fat lamb divisions.

For the showmanship award, L. I. Samuels, of Arlington, area supervisor of vocational agriculture, will be the judge. Prizes have been offered for the best showmen in the beef, swine and lamb classes by the Cutter Laboratories, and the grand champion showman will be presented with a nice ewe lamb by R. L. Harris of Corsicana.

Revival at Trinidad.

KERENS, March 3.—(Spl.)—Beginning Sunday, March 2, a revival meeting was inaugurated at the Baptist church in Trinidad by the pastor, Rev. Lester Roloff. Services are at 10 a. m. and 7:30 p. m., and a cordial invitation has been issued to all Trinidad and surrounding communities.

Wednesday Nite Important 'Sneak'

Come By 8 P. M. See regular picture and remain for the 'sneak'.

A NEW PICTURE UNCUT and UNEDITED WILL BE SHOWN

YOUR INCOME TAX IN A NUTSHELL

WHO MUST FILE A RETURN? Every single person having a gross income of $800 or more; every married person, not living with husband or wife, and having a gross income of $800 or more; and married persons living with husband or wife, who have an aggregate gross income of $2,000 or more.

WHEN MUST RETURNS BE FILED? For the calendar year, on or before March 15, 1941. For the fiscal year, on or before the third month following the close of the fiscal year.

WHERE AND WITH WHOM MUST INCOME TAX RETURNS BE FILED? In the internal revenue district in which the person lives or has his chief place of business, and with the collector of internal revenue.

HOW DOES ONE MAKE OUT HIS INCOME TAX RETURN? By following the detailed instructions given on Forms 1040-A and 1040, the income tax blanks.

WHAT IS THE TAX RATE? A normal tax of 4 percent on the amount of the net income, arrived at by deducting legal exemptions and credits from the gross income; a surtax on the surtax net income in excess of $4,000; and a defense tax of 10 pel cent of the combined normal tax and surtax.

INCOME TAX DONT'S

DON'T prepare your income tax return until you carefully read and understand the instructions accompanying the forms. Make out a work sheet and check it with the instructions before filling in the forms.

DON'T delay in making out your income tax return. Tax problems deserve careful study, and the early assembling of your data expedits this.

DON'T destroy the data from which your return is compiled. You will need them for possible rechecking and verifying the return.

DON'T overlook any item or schedule on the form which you are required to fill out. They are all necessary to the exact computation of your income tax.

Don't omit any explanation or information that is essential to a complete audit of your return. An ounce of care may save you a pound of unnecessary expense, and time and annoyance both to you and to your Government.

Your Federal Income Tax
No. 29

DEDUCTION FOR LOSSES OTHER THAN FROM SALE OR EXCHANGE OF CAPITAL ASSETS

Deductions for losses are divided into four classes, and to be allowed must follow closely the wording of the income-tax law. Losses are deductible if incurred (1) in the taxpayer's trade, business, or profession; (2) in any transaction entered into for profit; (3) from fires, storms, shipwreck, or other casualties, or from theft; and (4) from wagering transactions.

Business losses result, usually, from the purchase and sale of merchandise. Such losses usually are ascertained by means of inventories, which are required whenever in the opinion of the Commissioner of Internal Revenue their use is necessary to determine the income of any taxpayer.

The term "transaction entered into for profit" means any kind of business proposition. For example, a taxpayer purchases an automobile to be used solely for business purposes, and which is sold at a loss. As this is a business proposition from start to finish, the loss is deductible, subject to the limitations of section 117 as amended. But if he had purchased the automobile to be used for pleasure or convenience, the deduction would not be allowed; it was not a transaction entered into for profit.

A loss sustained in the theft of an automobile purchased for pleasure or convenience is deductible, as it falls in class 3. If, because of faulty driving but not of "wilful negligence," an automobile maintained for pleasure is damaged, the taxpayer may claim the meaning of the world "casualty." Where damages result from the faulty driving of an automobile with which the automobile of the taxpayer collides, the loss occasioned the taxpayer likewise is deductible.

Losses from wagering transactions, whether legal or illegal, are deductible only to the extent of gains from such losses over the gains is not deductible.

All losses are deductible only to the extent to which they are not compensated for by insurance or otherwise.

No. 30

ITEMS EXEMPT FROM TAX

Certain items are specifically exempt from the income tax and need not be included in the taxpayer's return of gross income. Among such items are the proceeds from life insurance policies paid by reason of the death of the insured. Amounts received (other than amounts paid by reason of the death of the insured and interest payments on such amounts and other than amounts received as annuities) under a life insurance or endowment contract, which are less than or exactly equal to the premiums or consideration paid therefor, are exempt from Federal income tax. Any excess received over the consideration paid is taxable. Amounts received as an annuity under an annuity, or endowment contract shall be included in gross income; except that each year the excess of the amount received over 3 percent of the aggregate premiums or consideration paid for the annuity is tax-free until the aggregate of such sums excluded from gross income for the taxable year 1940 and prior years equals the aggregate premiums or consideration paid for the annuity. There are also exempt from tax amounts received by gift, bequest, devise, or inheritance; interest on obligations of the District of Solumbia, any Territory, State, county, municipality, or other political subdivision of the State; interest on certain bonds issued by the United States Government or its possessions, and on Federal farm-loan bonds; amounts received through accident or health insurance or under workmen's compensation acts for personal injury or sickness, and damages received on account of such injuries or sickness.

Pensions and compensation received by veterans from the United States for services in time of war are exempt; and pensions received from the United States by the family of a veteran for services rendered by the veteran in time of war is exempt.

There is also exempt from the Federal income tax the rental value of a dwelling house and appurtenances thereof furnished to a minister of the gospel as part of his compensation. Other items exclude from gross income are allmony and an allowance based on a separation agreement.

No. 31

CHECKING DELINQUENTS

The Bureau of Internal Revenue has at its command many sources for checking up delinquent taxpayers. One of these is the "information at source" provision of the Internal Revenue Code, under which persons, "in whatever capacity acting," are required to report on Form 1099, to the Commissioner of Internal Revenue at Washington, D. C., payments of fixed or determinable income to another in the calendar year of 1940 of $800 or more. If the recipient is married, and is a citizen or resident of the United States, reports need not be made of salary or other compensation for personal services unless the payments aggregate $2,000 or more. If the marital status of the payee is unknown to the payor, the payee is considered a single person for the purpose of filing an information return of salary or other compensation for personal services.

Fixed or determinable income includes wages, salaries, royalties, premiums, rent, interest, etc. A separate return of information for each employee is required of employers. The requirements are not limited to periodical payments, but a single payment must be reported. Domestic and resident foreign corporations are required to make a separate report, Form 1099, of dividends or distributions for each individual, citizen, or resident of the United States, resident fiduciary, or a resient partnership any member of which is a citizen or resident, who was paid 100 or more during the calendar year 1940.

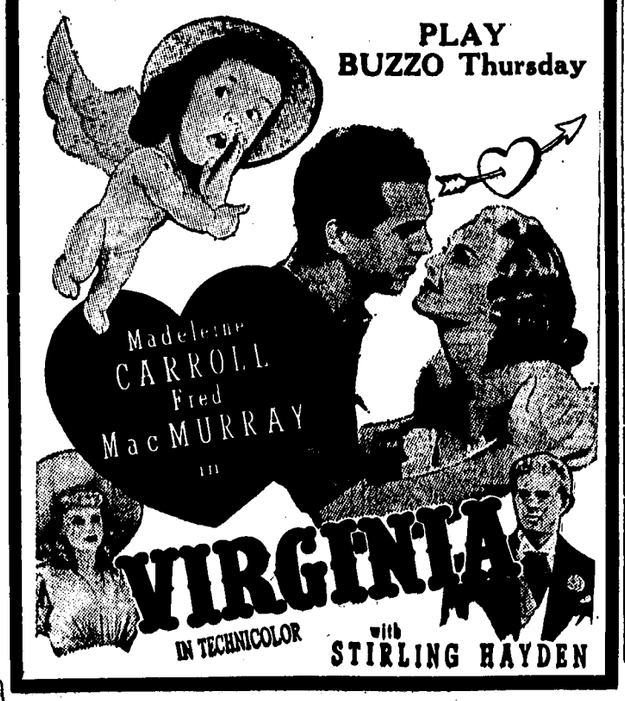

All persons or organizations acting at any time during the year 1940 as broker or other agent in stock, bond, or commodity transactions (including banks which handle clearing orders for depositors or custodian accounts) are required to file annual returns of information on Form 1100 with respect to all customers, depositors, or accounts for whom or which the total market value of the securities exchanged, is $25,000 or more during the calendar year, with certain exceptions. A separate Form 1100 must be prepared for each customer, depositor, or account for whom or which business was transacted during the year, and must show the name and address and other information provided for in the form.

Information returns are carefully checked with individual returns of taxpayers. Thousands of delinquent returns and additional revenue amounting to millions of dollars have been secured as the result of the examination of information returns.

3 DAYS Thurs.-Fri.-Sat.

PLAY BUZZO Thursday

MATURING BONDS ORDERED PAID BY COMMISSIONERS

TAX AND OTHER MATTERS CONSIDERED AT SATURDAY MORNING SESSION

Calling for payment of road district bonds amounting to $79,000, maturing April 1, a discussion of compensation for county employes, an offer of his services by A. F. Mitchell to the court in the road program contemplated and routine business occupied the commissioners' court Saturday morning.

Tax matters were considered and claims were allowed except as noted on the claim docket.

Frank Wilson, Dallas attorney, offered any gravel found on his more than 1300-acre holdings near Cryer Creek and all the right-of-way necessary or desired if a "farm-to-market" road is extended in that direction.

The payment of persons listed on the paupers' roll of the county was allowed for this month, but is to be discontinued.

The quarterly report of E. B. Burleson, county treasurer, for the last quarter of his term, was accepted and filed.

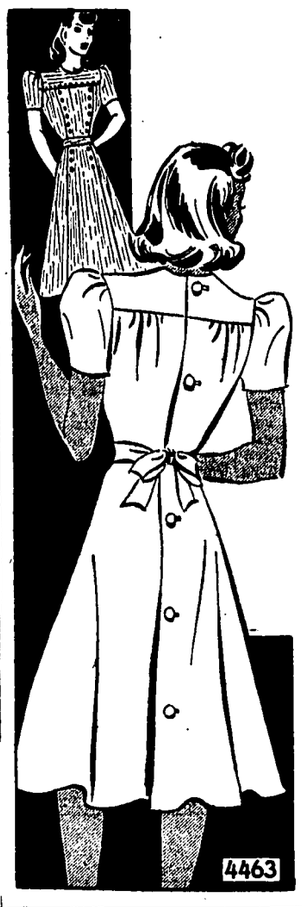

A call for $76,000 maturing bonds of Consolidated Road District No. 1 for payment, April 1, was issued, along with a call for $3,000 in Road District No. 14.

Kerens Girls Spent Week-End in Waco

KERENS, March 3.—(Spl.)—Misses Alene Ivey, Reba Land, and Hortense Simmons spent the wee kend in Waco, where they were guests of Miss Ethel Mae Thomason, who until a few years past, was a Kerens resident. The girls weer over to bid adieu to Miss Thomason, who is to leave at once for Washington, D. C., where she has accepted a government position in the Veretan's Department, and to be present for a lovely farewell party and miscellaneous shower given in her honor by city and Baylor University friends.

THE CORSICANA DAILY SUN DAILY PATTERN

Sport Style Buttons At Back

PATTERN 4463

by Anne Adams

There's a fresh, clean-cut modern-girl spirit about Pattern 4463! It's an Anne Adams dress, which explains its unusual verve and originality. That button-up-the-back idea is ingeniously young combined with the bow of the sash which comes from the front panel or winds all around. There are shoulder-to-shoulder yokes at both front and back, made on a striking cross-grain. You might have the yokes and sleeves in sprightly contrast. Notice the smart front panel and the new touch of buttons that march down either side to below the waist. Omit the sleeves and you'll have a real sportster! A smart new rayon weave, a cool cotton or linen are nice fabric suggestions.

Pattern 4463 is available in misses' and women's sizes 12, 14, 16, 18, 20, 30, 32, 34, 36, 38 and 40. Size 16 takes 3⅞ yards 35 inch fabric.

Send fifteen cents (15c) in coins for this Anne Adams pattern. Write plainly size, name, address and style number.

Fifteen cents and a postage stamp...and the world of fashion is yours! Send for the new Anne Adams Pattern Book today—it's the most tempting, original collection of easy-to-sew patterns ever presented in one book, with colorful illustrations and vivid descriptions. There are work, play and party modes for everyone in the family, together with tips on styles, fabrics, accessories. This indispensable fashion guide costs just fifteen cents. Pattern fifteen cents. Book and pattern together, twenty-five cents.

Send your order to The Daily Sun, Pattern Department, 243 West 17th street, New York, N. Y.

Senior Class Of Kerens High School Banquet Honorees

KERENS, March 1.—(Spl.)—In persuance of the custom of a decade, the 1941 senior class of the Kerens High school was complimented with a banquet given Thursday at 7:30 p. m. in the dining hall of the First Baptist church by women of the Missionary Society. The class of some forty members, the entire faculty, members of the board of education and their wives, and the pastors of all the churches of the city were also guests.

In keeping with the approaching Texas Independence holiday, a patriotic color scheme was chosen, and the three white damask-laid tables held central groupings of red nandina berries from which the folds of both the Texas and U. S. flags unfurled. Extending from either end, were red and blue satin ribbons gracefully curled.

At intervals down the length of the long tables, hurricane lamps holding red candles which seemingly burned in a nest of delicate pear blossoms, violets and fern, were placed.

The speaker's table, with the same color scheme, was strikingly beautiful with a huge crystal bowl holding white stock, red carnations and blue cornflowers, flanked by crystal candelabra and red candles. Completing the lovely decorations were cathedral brass candelabra with red candles forming a backdrop for long low containers of the pear blooms, violents and purple iris, placed on the wide window ledges.

Place cards in the shape of the map of Texas marked each dinner plate attractively filled with pressed chicken, fruit salad, tiny tot peas in potato nests, hot rolls, radish roses, olives, sweet gherkins and carrot strips. With this iced tea was served, and the desert course of individual cherry cake and whipped cream, held a small U. S. flag stickup.

W. L. Bain, Jr., asted as master of ceremonies and presented Mrs. Wade J. Price, president of the WMU, who made the welcome address. Response from the senior class was by Miss Peggy Gowan, vice president. Popular numbers by the class quartet, composed of Terry Sanders, Billy Price Berry, Charles Miller and L. E. Gray, were received with the usual applause, and Miss Lilla Mae Cheek of Waco, guest soloist, sang "The Bells of St. Mary's," with Mrs. A. S. Pritchard at the piano.

Rev. M. O. Cheek, district missionary of the Waco district, and former pastor of the Kerens Baptist church, made a short and amusing talk and introduced the speaker of the evening, Dr. B. C. Herring, Baylor University professor, who pleased all alike with a short, brilliant message, the gist of which was an admonition to "Be Yourself, Use Your Head, Use Your Hands."

Concluding the program and furnishing the grand finale for a delightful evening, Miss Bertie Mae Stevens, faculty member, sang "God Bless America," with all standing and joining in the chorus for the benediction.

Personal Mention Of Kerens People

KERENS, Feb. 28.—(Spl.)—Mrs. E. K. Howell of Kerens, and mother, Mrs. Wright of Powell, spent several days this week in Temple, where they visited Mrs. Hubert Shelly and new daughter, in the Scott & White Hospital.

Mrs. Ben Russell Cherry and small daughter are guests of Mrs. Roy Lee Jones Nettles, in Temple this week.

Mrs. Roland Shelton has with her for the week, her mother, Mrs. George Stamps of Dallas.

Miss Lilla Mae Cheek of Waco, former Kerens resident, came over for a week end visit with friends Thursday, and to be guest soloist at the banquet given Thursday night by the WMS of the First Baptist church, in honor of the 1941 graduating class of the Kerens High school.

Mrs. A. R. Carroll spent Monday in Frost, where she taught the missionary book, "Trail of Seed," by Una Roberta Lawrence, to assembled members of the Frost, Barry and Blooming Grove Baptist Missionary societies.

Quite a number of students are absent from the Kerens school this week, due to a mild epidemic of measles.

Mrs. C. J. Hall has returned to her home in Oklahoma City, after an extended visit with Kerens friends.

Mrs. Meredith Queen of Corpus Christi was the guest of her brother, R. P. Walker, and wife Friday.

T. F. Whitefield of the McClung Nursery in Corsicana, was a Kerens visitor Friday.

Mr. and Mrs. George W. Ross and children, Betty and Billy, of Bryan were week end guests of Mrs. Lillie Lindsey and G. W. Speed.

Mrs. Josh Speed is convelescing nicely at home, after an operation in a Corsicana hospital last week.

Bobby Norton os Dallas has entered the Kerens school as a sixth grade student and is making his home with his uncle and aunt, Mr. and Mrs. E. H. Norton.

Mrs. M. L. Speed was a guest of Mrs. E. M. Forehand of Trinidad last week.

Rice Student TSCW Exempt From Exams

DENTON, Feb. 28.—(Spl.)—Maintaining more than a B average in all her subjects at Texas State College for Women, Miss Katherine Dobbs or Rice is entitled to class exemption this semester. Students with this high scholastic average make application in the registrar's office and following approval from that office are not subject to compulsory class attendance.

Miss Dobbs is the daughter of Mrs. J. C. Dobbs of Rice. She is majoring in business administration and is a junior student at the college. Only 200 students of the total 2500 enrolled received the privilege of class exemption for the second semester.

Night Football At Bear Field Assured

The campaign under way since December to secure funds for installation of lights at Jackson Bear Field, negro high school athletic plant, closed Friday night.

H. J. Wise, principal of the Jackson High, stated the campaign netted $802.88. He publicly thanked all friends of the negro school for their donations, and estimated that 40 percent of the amount was subscribed by white friends.

Night footbal lwill be played by the Bears this fall.

And then!

FATHER OF CHATFIELD MAN DIED IN DALLAS HOSPITAL THURSDAY

DALLAS, Feb. 28.—Funeral services were held Friday afternoon at 2 o'clock from a local funeral chapel for John Wesley Hudnall, aged 66 years, who died at a local hospital Thursday following an illness of a few days.

A native of Bowling Green, Ky., he moved to Cochran's Chapel, Dallas county, when he was a lad. The community of Hudnall was named for his father. After operating a dairy for a number of years, he was engaged in farming for many years prior to his retirement several years ago.

Surviving are his wife of Dallas; three sons, Roland M. Hudnall, Chatfield; Pleas Allen Hudnall, Keller, and J. W. Hudnall, Jr., Dallas; five daughters, Miss Faye Hudnall, Miss Dovie Hudnall and Miss Ann Hudnall, all of Dallas; Mrs. E. B. Mayberry, Dallas, and Mrs. H. J. Brown, Chicago; mother, Mrs. J. B. Hudnall, Dallas; three brothers, C. J., Clarence and James Hudnall, all of Dallas; five sisters, Mrs. C. L. Carter, Mrs. Jennie Baryle, Mrs. Annie Lee Dillon, Mrs. W. H. Miller and Mrs. J. R. Morgan, all of Dallas; five grandchildren, and other relatives.

Rev. John Donaho and Rev. Cecil E. Ellis conducted the rites. Burial was in the Daniels cemetery.

Nephews were pallbearers.

Former Corsicanan Visits in Wortham

WORTHAM, Feb. 28.—(Spl.)—Mrs. Lois B. Curry of Montreal, Canada, is the charming house guest of her relatives, Mr. and Mrs. R. G. Poindexter and Miss Minnie Kelly. Mrs. Poindexter and Miss Kelly's father, the late B. Kelly was an uncle of Mrs. Curry. Mrs. Curry is a native of Corsicana and lived in this community before her marriage. She is delighted and happy to be back home, and says she is always proud that she is a Texan. Thursday, with Mrs. Curry as honoree, Mrs. Poindexter, Miss Kelly and Mrs. H. C. Meador, were luncheon guests of Mrs. K. W. Sneed at "The Derrick," in Corsicana.

Streetman Man Died In Dallas Thursday

DALLAS, Tex., Feb. 28.—Clyde Vernon Reed, of Streetman, died Thursday at the home of his daughter, Mrs. M. E. Whitten. The body was sent to Coolidge, Texas, Friday morning for burial.

Surviving are his wife of Streetman ,daughter, Mrs. Whitten, Dallas; a grandson, William R. Whitten, Dallas, and a brother, K. C. Reed.

Accepted as Dentist.

KERENS, March 1.—(Spl.)—Mr. and Mrs. C. W. White have received a communication to the effect that their son, Billy, who is a student at East Texas State Teachers College, has passed the government examination for dentist in the aviation corps, and is listed among 20 pre-med students so honored.

Contract Let For Grading, Drainage Part of Highway 31

AUSTIN, Feb. 28.—(AP)—Preparing a spring construction program, the Highway Department Thursday announced low bidders on twenty-five projects costing more than $2,000,000.

Included:

Hill and Navarro—16.4 miles grading and drainage structures on State 31 and 1.6 miles southwest of Mount Calm to Dawson. Purvis and Bertram and Fred Hall. Fort Worth. $180,203.27.

Mrs. N. R. Curry, Former Corsicanan, Visits Relatives

Mrs. N. Rennie Curry (nee Miss Lois Blake of this city), who now resides in Montreal, Canada, spent last week with her cousin, Mrs. Robert I. Kent, and Mrs. Kent's daughters, Mrs. T. O. Wills and Mrs. Robert Davidson.

Mrs. Curry left this morning for Tulsa, Okla., to visit her sister, Mrs. Earl Tifney, then goes to Ogden, Utah, to visit another sister before joining her husband at their summer home in Nova Scotia, which is known as the "Seven Gables."

Mrs. Curry enjoyed renewing friendships here as this was her first visit to Corsicana in 30 years.

Mrs. Sarah Cole's Sister Dies Dallas

WORTHAM, Feb. 28.—(Spl.)—Mrs. Sarah Cole received the sad message of the death of her sister Mrs. Addie Brown of Dallas. Mrs. Brown is also aunt of Mrs. John Munroe of Wortham, and has often visited in Wortham. Her son Dwight Brown, prominent musician and organist, has been presented in musical programs in Wortham. Many Wortham friends extend sympathy to the bereaved.

PURCHASE OF X-RAY EQUIPMENT APPROVED BY HOSPITAL BOARD

INSTALLATION IS SCHEDULED THIS WEEK AT P. AND S. HOSPITAL

Approval of the recent purchase of a new X-Ray unit for the P. and S. Hospital by Dr. Gurley H. Sanders, who had been authorized to act for the board, was made at the March meeting of the Navarro county hospital board Sunday afternoon. The unit has arrived, and will be installed this week, it was stated Sunday.

Collections during February amounted to $1,745.95 while there were 92 patients admitted, including 32 charity patients.

Expenses for the month amounted to $2,168.58, leaving a deficit of $422.63.

Charity by the hospital was listed at $1,089.45, while services to charity patients by physicians was carried at $2,209.

Expenses were divided as follows: Superintendent and nurses salaries, $795; other help, $149.50; groceries, $287.74; utilities, $229; drugs, $112.86; laundry, $169.95; sundries and supplies, $300.35; repairs, $92.58; equipment, $31.50.

News of County Home Demonstration Clubs

White's Chapel Club.

The Whites Chapel Home Demonstration Club, met in the home of Mrs. W. N. Hamilton Feb. 26.

All members who plans to attend the luncheon at Mrs. S. A. Beeman's March 12, meet at Mrs. Walter Beeman's at 10 o'clock a. m. If the weather will not permit the club to meet with Mrs. S. A. Beeman. The luncheon will be with Mrs. Walter Beeman.

The club adjourned with twelve members present and one visitor. —Assistant reporter.

The Bazzette Club.

The Bazette Home Demonstration Club unanimously agreed to enter into the project of canning surplus vegetables and fruits for the war suffering people of Europe, as suggested by Mrs Kate Slone of the Corbet Club.

Mrs. Roger Deskin, council delegate, told of the plan and said that the council had left the question, as to whether such a project should be undertaken, to be decided by the club women of the county. The general opinion of the members present was that such a program would be in line with the country's good neighbor policy, and the club's decision was that its vote be cast in favor of the plan.

In an informal discussion, a tentative goal of three hundred cans—approximately fifteen cans per member—was set for the Bazette Club if the project was adopted in the county.

Mrs. Roy Pohl and Mrs. Lester Walker gave an interesting dialogue on "Parliamentary Procedure." This "Timely Topic" of educational value had been prepared and presented to the clubs of the county by Mrs. O. K. Vinson, parliamentarian of the county council.

The meeting was held in the home of Mrs. Ted Colvin, who with Mrs. Gid McDowell as co-hostess, served a delicious refreshment plate of pie and coffee. The next meeting will be held at the club house with Mrs. Upchurch as leader.—Reporter.

War Filling Locker Of Davy Jones With Mail From America

WASHINGTON, March 3.—(AP)—The war is filling Davy Jane's locker with mail from the United States.

Eight vessels carrying mail from this country to foreign destinations have been sent to the bottom an 14,501 sacks of mail lost, a postoffice department compilation showed today.

A full sack of mail weighs about 66 pounds and holds approximately 2,500 letters. Thus the war toll has been close to a million pounds of mail, or about 3,600,000 individual pieces.

HEALTH, BEAUTY AND POISE

By VERONICA DENGEL

THE MAKE-UP CAPE.

One of the most helpful beauty gadgets is the make-up cape. Frequently, we find it necessary to freshen our faces—and there isn't time to remove one's dress. Here the make-up cape comes in handy, because it need only be tied around the neck—and you are well protected against spilling powder. The one in the picture is made of that easily washed, rubber-like fabric called latex.

Fastidiousness demands the make-up cape.

It always distresses me to see specks and smudges of powder on dark clothes—and even though you seem to brush it off, a certain amount gets into the fabric and discolors it. Keep a make-up cape in your office, and put it on when you freshen up at noon and at night. It will protect the dress if you want to wash and put on an entirely new make-up and comb your hair all over.

When you bring a guest home, too, who has not had an opportunity to fix herself up, it is so nice to have her use a cape like this. It just adds an additional note to the impression you make of giving such nice attention to small details. And it is this attention to little details—seemingly unimportant in themselves—that builds up to a perfect whole. The whole You that you want to be, and should be, and can be!

SCHOLASTIC CENSUS OF CORSICANA BEING TAKEN AT PRESENT

IMPORTANCE OF COUNTING EVERY SCHOOL-AGE CHILD IN CITY IS STRESSED

The scholastic enumeration of the Corsicana Independent school district, required by law and supervised by the board of education, is now being taken by W. D. Pollan, census trustee, assisted by faculty members of the city schools, Superintendent W. H. Norwood of the Corsicana schools announced today.

The enumeration is of vital importance to the welfare of the schools for the next year, Norwood said. For every child counted the local schools will receive a state appropriation of $22.50 with which to carry on next year's work, he pointed out.

The scholastic enrollment last year was 3,436 with 326 transfers.

It is the desire of the board of education to have every child of proper age who is a resident of the city of Corsicana listed on the enumeration. The enumeration has no connection with the state compulsory attendance law, Superintendent Norwood said.

Each year it has been found that in four ways some children have been inadvertently omitted from the rolls and as it has been previously requested it is hoped that omission coming under the following headings will be reported to the superintendent's office:

(1) Those who may have been out of the city during the census taking.

(2) Those moving to Corsicana since March 1.

(3) Children who will not be 18 years old on or before September 1, and because of graduation and other reasons are not now in school.

(4) Children under six years old who are not now in school, but intend to enter next year, because they will be six years old on or before Sept. 1.

Children who do not live in the city, but who are attending the Corsicana schools now or plan to attend next year must be enumerated in districts wherein they live and a transfer from the county superintendent's office must be requested before August 1.

Children being counted in the census are those who will be six and under 18 years of age Sept. 1, 1941, and who are residents of the district on the first day of April. Children born on or before Sept. 1, 1923, or after Sept. 1, 1935, are not enumerated. Superintendent Norwood said.

Final Arrangements Be Made for Older Boys Conference

Final arrangements will be made at the regular meetings of the esnior and junior Hi-Y clubs Wednesday and Thursday nights respectively, for the coming North Texas Older Boys' conference to be held in Waco, March 14-16, it was announced today by officials.

Final registrations will be accepted and other important matters will be decided upon at the meetings. Also eligible to attend the conference are boys of any church or civic organizations in the county.

OFFICERS SEEKING IDENTITY DRIVER OF CAR HITTING NEGRO

County and state officers Monday were still seeking the identity of a hit-and-run driver believed responsible for the serious injuring of George Barkley, 50, Kerens, Route 2, negro, Saturday night.

Barkley was brought to the P. and S. Hospital Saturday night suffering from a compound fracture of the right lew below the knee, by passersby who are reported to have found the injured man lying along the highway. Deputy Sheriff Jeff Spencer and State Highway Patrolman M. R. Reid are investigating the matter.

CORSICANA DEBATE TEAM PARTICIPATED IN DALLAS TOURNEY

The Corsicana High School mixed debate team, composed of Kathryn Hester, Lilla Jean Brown, Count Wright and Darrell Hester, tied for third place in the North Dallas High School Invitational Debate Tournament held there Saturday, March 1, according to an announcement today by R. A. Armistead, local debate coach.

The local teams lost only three judges' votes out of eighteen cast in their six debates, but were kept out of the finals by the exceptionally high records of Adamson High School and Paris High School who enlisted sixteen and seventeen votes, respectively. Sunset High of Dallas and Kaufman High School received the same number of votes as Corsicana.

Seventy-four teams, representing thirty-five schools took part in the tournament.

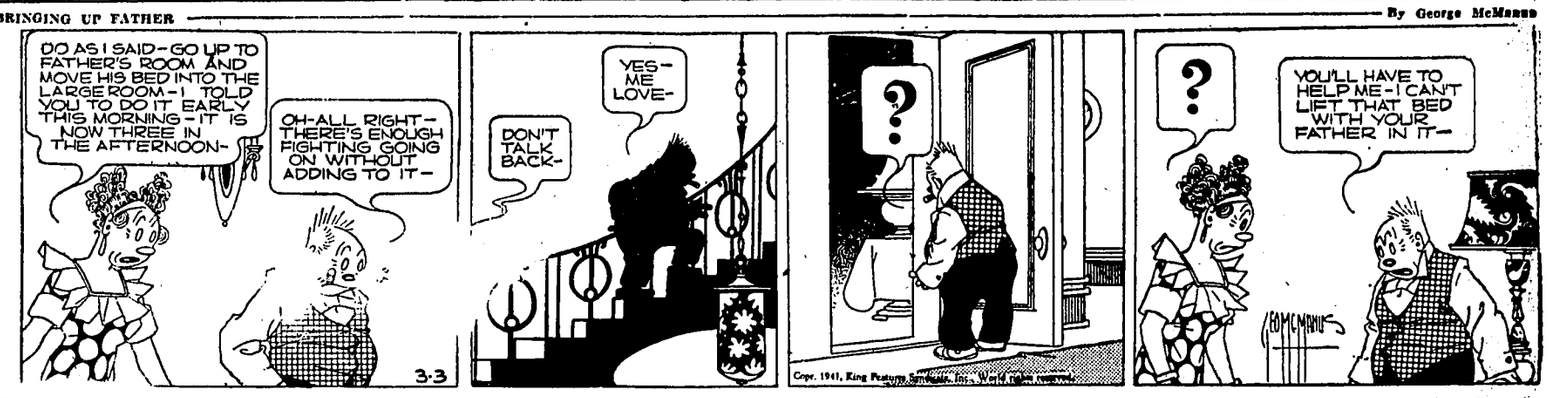

Corsicana High was represented in the B. division by Joyce Copeland, Jo Nell Scott, E. B. Dawson, and Billy Bradford.

Wheat Prices Slump

CHICAGO, March 3.—(AP)—Wheat prices slumped a cent or more a bushel today and recovered only a small part of this loss before the close.

Weakness of securities, receipts of rain over much of the soft winter wheat belt and uneasiness regarding the situation in Europe were depressing factors. The market also encountered some profit taking based on last week's rally while selling was associated with reports of increased receipts at some terminals as well as lagging flour demanad.

THIRTY-NINE BOYS WILL PLANT CORN PROJECTS COUNTY

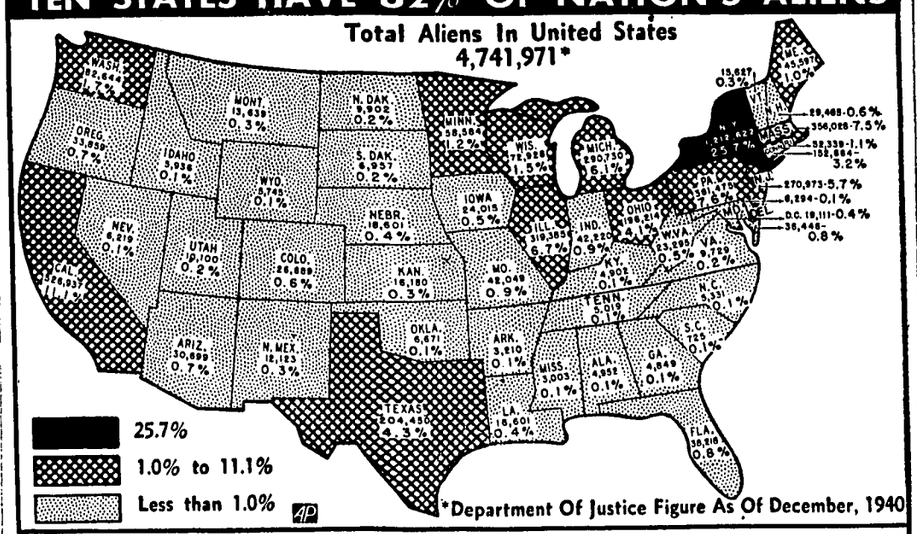

CERTIFIED SEED SUPFLIED CLUB MEMBERS BY CORSICANA CHAMBER

Thirty-nine Navarro county 4-H club boys will participate in corn projects this year using certified seed according to an announcement by A. P. Bralley, assistant county agent.

Each of the boys received a gallon of seed Saturday and after his crop is harvested will be required to return two gallons to the agricultural committee of the Corsicana Chamber of Commerce, sponsors of the projects. Half of the boys received Dentco Yellow Dent corn and the others received some of the new Texas Hybred, developed by the experiment stations of Texas A .and M. College after years of work and reputedly an unusually high ocarring variety. The hybrid seed are not suitable for replanting. Several adult farmers have indicated they will watch the test plantings of this variety closely.

Among those receiving seed corn were Billy Ray Allen, James Ard, Benny Burns, Bill Blackwell, Radford Beale, Wallace Bosley, Tommie C. Childress, Gerald Carroll, Charles Crowleey, Ray Eugene Crenshaw, Mavis Cox, L. V. Cox, Billie Joe Clarkston, Donald Douglas, Newell Farmer, John F. Freeland. District Judge.
CHARLES T. BANISTER,
Criminal District Attorney.

TEXAS 4-H CLUB GIRLS CONSERVED MANY TONS OF FOOD

OVER MILLION QUARTS OF CANNED FOOD IN ADDITION TO THAT CURED AND DRIED

COLLEGE STATION, March 3.—(Special).—Texas 4-H Club girls conserved 2,578 1-2 tons of food in 1940. That food resource, vital to the health and economy of Texas rural families, included 1,100,013 quarts of canned food additional to that cured and dried. But it did not include the vast amount of eibles consumed while fresh, says Onah Jacks, Extension Service State Girls' Club agent at A. and M. College. Altogether, the 38,851 girls enrolled grew 18,520,530 row feet of vegetables. Granting an average yield, that should have added at least another 2,400 tons to Texas food store.

"That 4-H girls look to the future is shown by the 4,922 orchards or fruit plots they set out in 1940," Miss Jacks says. "Some day there will be a grand gathering from the 119,494 trees and vines the plantings represent." In preparation for expansion of fruit growing in 1941, 111,167 plants were rooted from cuttings or seeds Marjorie Thomas of Lindon, Senior 4-H Club in Cass County, has an orchard of forty trees which grew from seeds.

Poultry Projects.

More girls were enrolled in poultry as a 4-H Club enterprise last year and completions were higher. Dairying also drew more supporters.

Again employing statistics to illustrate, Miss Jacks says that 4-H Club girls in 1940 prepared 23,930 dishes of food and planned and served 223,487 meals. In home improvement, 10,427 rooms were added or improved through their efforts; 3,792 repair jobs such as roofs, doorsteps and painting of homes, were done; 200 bathrooms were equipped and 2,521 closets or cabinets were added.

Clothes had no rival for the most popular demonstration, with club girls making 86,791 garments. They kept their clothes in better shape, too, because they added or improved 5,233 closets and 12,949 pieces of equipment, such as hat stands, shoe racks and similar accessories. On individual wardrobes, 3,212 girls kept accounts, their expenditures amounting to $54,512.

Texas girls whose average is 12, are organized into 2,076 4-H Clubs in 191 counties. The clubs are intended to be independent and entirely self-governing. Every effort is made to help girls and adults have this view of the club, Miss Jacks says. Through the clubs, the girls are learning good group action and responsibility. In Cameron County the Las Yescas 4-H Club is really sponsoring the hot lunch program in the school furnished by the Surplus marketing administration. Older club girls, under the supervision of Mrs. Ruth Bohannon, prepare and serve all the food.

Club Initiative.

"The girls are very proud of the part they can have in this program."

The newest club in Colorado County illustrates the initiative and confidence of its members. The girls raised the money to rent a club house. They cleaned it, painted the interior and added shelves and a bench. A friend gave a sewing machine and the utility company loaned a stove. On several Saturdays they cooked cakes and rolls there and sold them.

One honor coveted by Texas 4-H Club girls is that of being chosen the Gold Star girl allowed in each county. To be eligible, she must, in the judgment of her own club members, have developed a satisfactory demonstration and been in club work for three years.

In 1940 one hundred and two Gold Star girls were selected. They are featured in their local news and club activities, and always are honored along with the Gold Star 4-H Club boys at some special function at the 4-H Short Course.

NEGRO CURED MEAT SHOW BE HELD HERE MARCH 7TH AND 8TH

To stimulate interest among the negro farm families of Navarro county in the production of better quality meat and meat products, and at the same time give them the instructions needed in the work, the second annual cured meat show has been announced by W. H. Phillips, negro county agent. The show will be held at 308 North Beaton street. Cash prizes will be given on first and second place winners and ribbons for third places in the following products:

Pork sausage, pork chops, pickled pigs feet, mincemeat, hams, shoulders, sides bacon, shoulder butts, loin, jowl, Scapple, lye soap, eggs, lard.

All products shown must be home grown or processed during the 1940 and 1941 mest curing season. There is no limit on the number of entries that may be shown by any one person. All entries must be in place by noon March 6 as they will be judged that evening.

For information see Ezelle C. McClellan, Negro County Home Demonstration Agent, or W. H. Phillips, Negro County Agent.

Surviving are four sisters, Mrs. Allen Jones, Corsicana; Miss Ann Turner, Corsicana, an employe of Southwestern Bell Telephone Company; Mrs. Cleodoth Enochs, Ferris, and Mrs. Oscar Hanks, Trinidad, and two brothers, Harry Turner, San Angelo, and Blonder Turner, Fort Worth.

News of County Home Demonstration Clubs

Oak Valley Club.

A person cannot feel his best be able to work if he does not get the proper rest at night, Miss Rettiger told the Oak Valley Home Demonstration Club, Feb. 27, in the home of Mrs. G. W. Ferrell, with Mrs. O. E. Scarbrough co-hostess. Good springs, mattress and the right kind of cover are essenital in getting the proper rest.

Circulation is the most important function of the normal body, she said. We should consider the warmth of cover as to the cost. The types of lightweight covers are blankets and comforts. the blankets are light, warm, easily cleaned and last well. We should consider the size, fibre, the weave and finish.

Comforts are very warm and should be covered with very soft material. Wool comforts may be tacked or quilted. Cotton comforts should be tacked only. Down or feather comforts should be made of soft materials that will retain the feathers.

Lightweight covers are more comfortable and warmer than heavy ones. Lets' have light covers and not be weighted down and cramped with heavy covers.

During the social hour interesting flower games were played, and Mrs. C. E. Williams won the prize Since this was flower exchange day. everyone received different kinds of aplants and flowers. A very lovely plate of cookies, punch, marshmallow krispies and a basket of shelled pecans was served to 14 members and six visitors. The visitors were Mrs. J. E. King, Mrs. W. A. Megarity, Mrs. Ethel Crabtree, Mrs. J. M Sparkman, Mrs. Clara Red and Miss Margaret Waters.

The next meeting will be with Mrs. Beden Owens, March 13 Everyone is urged to attend since we shall have a parliamentary drill.—Reporter.

BALKANS

(Continued From Page One.)

Zabreb that neutral Yugoslavia, a nation created as an outgrowth of the World War, would become the fifth nation to join the Rome-Berlin-Tokyo alliance.

2. Unconfirmed reports from Negotin, Yugoslavia, near both the Rumanian and Bulgarian frontiers, that British warplanes had bombed the rich Rumanian oil field center at Ploesti, long occupied by German forces.

3. The arrival of British Foreign Secretary Anthony Eden and General Sir John G. Dill, chief of the Imperail staff, in Athens from Turkey.

4. A report in Istanbul that Germany had asked Turkey to offer to mediate the European war during Eden's visit there but that Britain had refused to consider mediation when sounded out by Turkey. Berlin scoffed at the report.

The arrival of German mechanized forces at Bulgarian towns just short of the Greek frontier, was interpreted here as apparently bringing embattled Greece face to face with the alternative of suing for peace with Italy or calling for further British aid—in the form of land forces.

British bombers already are operating in Greece and the Eastern Mediterranean within easy flying distance of Bulgaria and Rumania.

Explosions in Oil Fields.

Reports in Negotin said heavy explosions had occurred in the Ploesti oil fields and that big fires had been started. There reports, noting that several fleets of unidentified planes had flown high over the town in the direction of the oil fields, attributed the explosions to British bombers. The British declined comment.

Two trainloads of Nazi infantrymen were said to have been dispatched from Plovdiv, Bulgaria's second largest city, toward the Turkish frontier. Other units were said to be rolling into Plovdiv, which is 165 miles airline from the Dardanelles.

Air raid defense precautions went steadily ahead in Bulgaria and many citizens or Sofia, including Queen Ioanna, Crown prince Simeon and Princess Marie Louise, left for the country.

King Boris, after receiving Rendel on the steps of the palace, conferred with the British minister for two hours last night. He was said to have told Rendel that he had chosen the course which he believed best for his people.

State of War to Follow.

The tall, stooped Briton was understood to have replied that diplomatic relations probably would be severed tomorrow with a state of war "undoubtedly" to follow.

The king had conferred with the German and Italian ministers just before Rendel arrived.

Bulgaria's unicameral parliament approved Premier Bogdan Philoffs' action of taking the nation into the axis alliance. About a score of the 150 members voiced opposition on the oral vote and 18 of them later filed objections on the ground that "Bulgaria's entry into the pact creates many eventualities and places Bulgaria in the danger of war."

With German soldiers swarming in the streets outside, Philoff told the parliament that the pressure of events" had forced Bulgaria to link herself to the axis

EXPORTS

(Continued From Page One.)

ments in January required export licenses or were prohibited except to the British empire and western hemisphere nations.

An analysis of Soviet Russia's purchases here in 1940 revealed that goods valued at approximately $50,000,000 (out of the $86,943,000 imported from the United States) now require export licenses, or have been embargoed.

Japan's purchases of iron and steel scrap and other products and materials needed for the Sino-Japanese war and the threatened expansion southward, as well as for its normal industry, likewise have decreased sharply because of export restrictions. Japan, which formerly bought approximately one-half of all American scrap metal exports, has purchased none since November.

BRITISH

(Continued From Page One.)

General Sir John G. Dill, chief of the British Imperial staff, from conferences in Turkey did much to bolster British confidence that "full preparations" had been made to face the new situation.

Sun Want Ads Bring Results

CONGRESS

(Continued From Page One.)

on the floor to oppose the measure.

Senator Glass D-Va declaring that "there have been too many speeches already," told reporters that he would favor a strict limitation on future senate discussion of the bill.

Ready to Vote on Cloture.

The veteran Virginia senator said he was ready to vote for cloture—a restriction which permits each senator to speak only once for not more than one hour

Senator Clark (D-Mo), one of the opponents of the bill, said that "they (the leadership) haven't got the votes to impose cloture." A two-thirds senate vote is necessary for cloture, which is rarely imposed.

Senator Reynolds (D-NC) preparing to make his second speech against the bill, told reporters he would propose these three amanc ments:

1. To require the deportation of Harry Bridges, West Coast labor leader.

2. To prevent "Communists or Fascists" from holding government positions.

3. To forbid any aid to Russia under the British aid bill.

"Russia," Reynolds declared, "is an ally of Nazi Germany, and is not entitled to any help from the United States."

Equivalent to War Declaration.

In his prepared speech Walsh declared: "I look upon this bill as equivalent to a declaration of war."

"Once in war," he asserted, "there can be no turning back. The congress will have no choice, the people will have no choice. Such a war will not be America's war. It will be a world war in which we will join in world ruin."

This war view was contradicted by two supporters of the bill, Senator Smathers (D-NJ) and Tunnell (D-Del).

Smathers said he was tired of "this parrot-like prattle" that war would follow. The opposition, he remarked, had used that argument a year ago when the arms embargo was lifted, and again when the selective service act was being discussed. The purpose, he charged, was "to frighten the American people," but it was not succeeding.

Tunnell declared, "I am one of those who believes that this bill will not cause war."

Should war come, however, "it will be easier," he predicted, "for America to defeat a weakened Germany." The reich, he said, would be weakened by the strong British defense which the bill would make possible.

Starts Third Week of Debate.

Thus, with the accent on war danger or lack of it, the senate reached its third week of British aid debate, convening an hour earlier in an effort to accelerate proceedings.

Both in the senate and out of it, there was much speculation as to whether the bill would be able to complete its legislative journey by Saturday.

Chairman George (D-Ga) of the foreign relations committee, said that he would "do everything in my power to bring about a vote by Saturday."

Long daily sessions might be necessary, he admitted, but he agreed with Majority Leader Barkley (D-Ky) that there was no reason why the bill should not be passed by the coming weekend.

Opposition leaders were of a different mind. They said there was not a chance of action by Saturday. There are more than twenty amendments to be disposed of first, and the opposition has yet to conclude formal speech-making in the general debate—a fact that has led proponents to charge filibustering tactics.

As for his first point, Senator Walsh offered these arguments:

"There is nothing in the bill to prevent the use of our navy in convoy service. That step means war. Yet the proponents object to any prohibition against such a step being placed in the bill. x x x

Means War

"There is nothing in the bill to prevent thet use of our navy or air force by Great Britain. That means war.

"There is apparently nothing in the bill to prevent sending our armed forces to the scene of the European conflict.

"There is nothing in the bill to prevent alien ships now in sanctuary in our harbors from being seized and transferred to other belligerents. This may mean war.

"The provisions permitting the use of our ports for the repair and supply of foreign warships is contrary to international law x x. They may or may not mean war.

"There is no real limitation to the president's judgment. There is nothing in the bill to prevent involvement in war as distinguished from a declaration of war by the congress."

To believe that the bill is a measure to keep the country out of war was "a delusion," Walsh declared.

Apropos of war danger in Asia, Walsh said that naval experts had said that "engagement in a sea battle on the other side of the Pacific might prove naval suicide."

In one summary of his opinions he said "this bill approches the recklessness, the daring, the insanity of one who tries to ride Niagara Falls in a rowboat."

WEATHER

(Continued From Page One.)

ready blanketing the pass, stalled their train. The blizzard was the worst in that region this winter.

A North American Aviation Corp. training ship, en route to Canada, was missing between Kingman, Ariz, and Salt Lake City in rugged, uninhabited country. It was piloted by Joe S. Martinek, a veteran flier, of Hollywood, Calif. Six other planes in the ferrying party landed at Salt Lake City or Las Vegas, Nev., because of weather conditions.

A 40-mile an hour wind and six-inch snowstorm at Cedar City, Utah, prevented six light airplanes from taking off there in search of the training ship.

Transcontinental & Western Air pilots reported they were forced to climb to 15,000 feet to clear a dust storm extending from Tucumcari, N. M., into Southeastern Kansaas. Winds reaching 75 miles an hour put westbound lights an hour behind schedule; sped eastbound planes into Kansas City ahead of time.

A moderate cold wave was predicted for Missouri and Kansaas today, with temperatures dropping to the 20's and low 30's from highs of 73 at Dodge City, Kas., and 63 at Kansas City Sunday.

Kansas near Wichita got a light mud bath when rain fell during the duster.

Californians still sloshed about. Half an inch of rain brought the total since mid-December to 23-16 inches in the Los Angeles area, more than double the normal fall.

The Wilshire area of Los Angeles experienced a sharp quake Sunday noon but no damage was reported.

Locally famous Point Firmin, near Los Angeles, slipped a little closer to the sea, and the main coast route to San Francisco moved outward as far as seven feet.

Slippage in the coast route resulted, engineers said, from rain-soaked earth settling toward the ocean a few feet away. The heavily-traveled road, blocked elsewhere by slides, was passable only slowly and under the eyes of guards.

CAMP BARKLEY

(Continued From Page One.)

179th Infantry and one company of the 120th Medical Regiment.

Curious crowds crowded sidewalks around the Citizens National Bank here this morning while soldiers armed with maachine guns and rifles guarded $400,000 to $500,000 in cash being counted in the bank preparatory to paying of the Camp Barkeley personnel tomorrow. Machine gun units were mounted on a railway overpass a half block away, on trucks across the street, and within the bank.

LEGISLATURE

(Continued From Page One.)

handbill. He pointed out that under house rules, literature distributed among members is supposed to be signed, and no distribution should be made without approval of house officers.

New Commission.

The house state affairs committee intended to open a hearing later in the day on a bill creating a new commission to perform the oil and gas conservation duties now handled by the railroad commission.

A resolution by Rep. Taylor White of Odessa to set up machinery for the drafting of a proposed new state constitution ran into difficulties immediately and was referred to the judiciary committee by overwhelming vote. House members took the position that the proposal should not be adopted without thorough study.

The house adopted a senate resolution providing for a special legislative committee to investigate the feasibility and probable cost of fireproofing the state capitol. Concern frequently has been expressed lest much of the old capitol building be destroyed by fire.

New Bills Offered.

Refreshed by a weekend rest, Senators jammed the hoppers with more bills.

Included were those appropriating $1,132,000 annually for the next biennium to finance vocational agriculture, home economics, child rehabilitation and crippled children's treatment in public schools; prohibiting employment of women in liquor package stores and authorizing state financed medical and dental service for destitute children.

The house passed and sent the senate a bill permitting transportation by truck of defense materials even though they weigh more than 7,000 pounds, the legal limit on ordinary loads.

A resolution asking federal authorities to dredge the Brazos river at Waco was adopted by the house. Rep. Gordon Davis of Waco, the resolution's author, said that the Brazos constituted a serious flood threat, particularly to East Waco.

Rep. S. J. Isaacks of El Paso introduced a concurrent resolution disapproving six civil court procedure rules promulgated by the supreme court. The resolution was sent to the judiciary committee.

Against Federal Aid Control

The senate sent the house a concurrent resolution petitioning congress not to authorize federal control of the oil industry. The measure was offered by Senators T. C. Chadic of Mineola and Allen Shivers of Port Arthur. It asserted Texas through co-operation of the industry anw existing regulatory agencies could efficiently meet any emergency in which the vast business was involved.

The house passed and sent the senate a bill providing for run offs in city elections at San Antonio.

The proposal, supported by the entire Bexar county delegatiton, would apply to the elecction this spring.

Another bill approved by the house would permit any county by a vote of the people, to authorize a tax up to 5 cents on the $100 valuation for advertising the county. Still another proposal would permit the city of Brownsville to refund its indebtedness.

MACKENZIE

(Continued From Page One.)

far are that Hitler's desire is to avoid an upheaval, and it isn't unlikely that he may achieve this if he doesn't threaten Turkey, and the Turks decide not to fight for Greece but only if they themselves are in danger.

The German papers also predict that Greece, which they describe as the "unhappy orphan of the storm," will have to pay for her British alliance. It appears to be Hitler's hope that he now can squeeze the Greeks into submission by mere threat of striking at them across the Bulgarian frontier.

Authoritative sources in Yugoslavia predict that she will join the axis shortly. That wouldn't be surprising in view of her great danger in being all but surrounded by axis forces.

INTERNATIONAL

(Continued From Page One.)

tomorrow. A state of war, he said, "undoubtedly" would follow.

Hundreds of German officers were reported arriving in Sofia hourly.

Dardanelles Mined.

Authoritative quarters in Ankara disclosed that Turkey has mined the Dardanelles and taken "full defense precautions."

Turkish officials withheld comment on the question of mobilization, but the government-controlled Turkish press chorused a prediction that Bulgaria would soon become a battlefield.

A newspaper closely connected with the Turkish foreign office said Bulgaria's army would be used to counter Turkish troops and "hide the action of the German army which will be conducted against Greece."

German mechanized forces swarmed into four Bulgarian towns just short of the Greek frontier, apparently leaving Greece with the choice of suing for peace with Italy or calling for British aid in the form of land troops.

German Press Comment.

The German press declared the military move put Germany in a place to prevent any British effort to "disturb the peace" in the Balkans and predicted that Greece, "called "unhappy orphan of the storm," would have to pay for her alliance with Britain.

Bulgaria's parliament yesterday approved casting the nation's lot with the axis. Twenty of the 150 members opposed joining the partnership.

It was reported in Istanbul that Germany last week asked Turkey to offer to mediate the war with Britain and that the British flatly refused to consider mediation. Berlin ridiculed the report.

In London the headquarters of General Charles De Gaulle's "Free French" forces claimed their troops in southern Libya had captured the Oases of Cufra, taking 1,000 prisoners.

This was interpreted in London to mean the De Gaullists had control of the entire Oasis district—a section of southeastern Libya approximately as large as the state of Ohio.

British Break Through Pass.

British forces attacking the Eritrean stronghold at Cheren were said to have broken through a mountain pass guarding the town from the north. A supporting column is fighting toward the stronghold — 42 miles from the capital at Asmara—through mountains to the west.

On the western front, the British reported new overnight raids on the German-occupied naval base at Brest and on German-used airdromes after Sunday attacks along the German and Dutch coast.

Nazi raiders dropped some bombs in eastern and southern England last night but the British reported slight damage.

Half way around the world, Emperor Hirohito received Japanese Foreign Minister Yosuke Matsuoka in a conference which Domei, Japanese news agency, said probably included discussion of Japan's efforts to bring a settlement of the Thailand-French Indo-China frontier dispute.

Japanese reports said the French government at Vichy approved Japan's compromise suggestions but the Indo-China representatives were holding off in the hope of gaining better terms.

TURKEY

(Continued From Page One.)

least one small detachment was reported from Sofia t have reached the Bulgarian town of Svilengrad, almost on the three-nation frontier of Turkey, Greece and Bulgaria.

Authoritative sources said Turkey had taken "full defense precautions," but official sources remained silent on the question of mobilization.

The fleet units were said to have headed out of Istangul, across the Sea of Marmosa from the strategic strait, at about the same time the order was made public.

It was reported yesterday that Germany had asked Turkey to offer to mediate the European war and that Britain had scorned mediation when sounded out by Turkey.

(German sources in Berlin scoffed at the report with the remark: "It is not for the winner to suggest peace.")

A well-informed source said German Ambassador Franz Von Papen had approached Turkish Foreign Minister Sukdu Saracoglu before British Foreign Secretary Anthony Eden arrived last week and suggested that Turkey was in a favorable position to mediate.

Forty-Two Party

The Black Hills Baptist Women's Missionary Union will sponsor a forty-two party at the home of Mrs. C. V. Breithaupt Wednesday night, March 5th. Everybody invited. Cake walk, country store and other entertainment.

Navarro County Lumber Company
J. E. METCALF, Jr., OWNER
122 West Third Avenue Phone 460

MRS. CARRIE GREEN DIED IN AMARILLO; TO BE BURIED HERE

Mrs. Carrie Kenner Green, widow of the late James T. Green, died in Amarillo Sunday morning following a short illness. Funeral services will be held from the Sutherland-McCammon Chapel Wednesday morning at 11 o'clock. The rites will be conducted by Rev. Gordon A. McInnes, pastor of the Third Avenue Presbyterian Church. Burial will be in Oakwood Cemetery.

Mrs. Green was born and reared in the Chatfield community and was the daughter of the late Capt. Widner and Mrs. Lou Riggs Kenner. She and her husband lived in Corsicana a number of years before moving to Amarillo about thirty years ago. She was an active church and civic worker, having been a member of the Third Avenue Presbyterian Church here before moving to Amarillo where she continued her activities in church work.

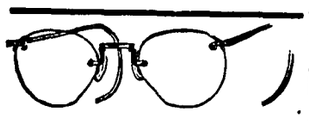

Surviving are two daughters, Mrs. Vernard Teel, Amarillo; Miss Katherine Green, Amarillo; three sons, James T. Green, Jr., Amarillo; Richard Green, Amarillo; Charles Green, Shamrock; a sister, Mrs. W. M. Elliott, Corsicana; a sister-in-law, Mrs. J. F. Stout, Corsicana, several grandchildren and other relatives.

Pallbearers will be Wilbur F. Wright, Guy L. Tate, C. F. Norton, A. G. Elliott, A. P. Mays, Pat H. Loggins, Dr. W. T. Shell, Sr., and R. N. Elliott.

Youth Accidentally Shot in Left Arm Sunday Afternoon

Allen Cain, about 21, was accidentally shot in the left arm early Sunday afternoon at 1013 South Fifteenth street with a .22 callbre rifle he was handling.

The bullet was removed from the left shoulder at the Corsicana Hospital and Clinic, after he was rushed there in a Corley ambulance. He was later discharged from the hospital.

TEXAS PROJECTS

(Continued From Page One.)

ment construction and spillway excavation $6,161,300; spillway construction $1,500,000; relocation railroads ,highways and public utilities, $3,200,000; powerhouse equipment, $1,030,000.

Sabine-Neches Project

At the top of navigation projects was the Sabine-Neches waterway, on which the engineers said $2,776,500 might well be spent. The Louisiana-Texas intracoastal canal, from the Sabine river to Corpus Christi, was listed with an estimate of $1,153,000.

Other Texas navigation projects, and the sums which could be profitably expanded on each, included: Trinity river, $44,000; Cyprus bayou and waterway between Jefferson, Texas, and Shreveport, La., $1,600.

Only on the Sabine-Neches waterway and intra-coastal canal was new work contempited in the estimates for the navigation projects; the remainder was estimated for maintenance.

New work considered for the Sabine-Neches project would cost $2,386,500, maintenance, $390,000. A breakdown of proposed work estimated showed: Dredging inner end of Sabine Pass jetty channel and Sabine Pass channel, $354 000; dredge Port Arthur canal and channel connecting Port Arthur west turning basin with Taylor bayou turning basin, $712,500; dredge Sabine-Neches canal (Port Arthur canal to mouth of Neches river), $1,320,000.

Maintenance Work

Maintenance contemplated: Dredge inland channel where necessary with United State pipeline dredge, $300,000: dredge inland where necessary by contract (September and October 1941), $40,000; dredge Sabine Pass outer bar and jetty channels with United States seagoing hopper dredge (July through Aug. 21, 1941), $50,000.

Louisiana-Texas intracoastal canal—new work contemplated, $577,000; maintenance $576,000.

New work proposed: Collect data relative to the crossings of the Brazos and Colorado rivers, $25,000; dredge tributary channel in Colorado river, from main channel crossing upstream a distance of 17 miles $552,000.

Mraintenance included: Dredge where necessary between Port Arthur and Port Bolivar, $110,000.

Corporation Court.

Nine charges of intoxication, two of affray, one of blocking an alley, tow of improper parking, and two of parking too near fireplugs brought offenders into the Corsicana corporation court over the week end as a result of arrests made by city officers.

Funeral Services Of J. G. Chandler Were Held Sunday

Funeral services for J. G. Chandler, aged 66 years, long-time engineer at the Corsicana Laundry and Cleaning Company, were held Sunday afternoon at 3 o'clock from the Sutherland-McCammon Funeral Home. He died at the family home, 515 North Commerce street, early Saturday morning following an extended illness.

The rites were conducted by Rev. Jack Goff, pastor of the Northside Baptist church.

Surviving are his wife, Mrs. Lyda Chandler, Corsicana; three daughters, Mrs. Josephine Zitis, Batesville; Mrs. Ruby Fults and Miss Doris Chandler, both of Beaumont; six sons, Jesse Chandler, Virginia; Joe Chandler, Beaumont; Miller, Arthur, Albert and Jack Chandler, all of Corsicana; a sister, Mrs. W. A. Jones, Batesville, and a granddaughter.

TAXES

(Continued From Page One.)

natural gas and sulphur, long favorite tax targets, would bear a substantial part of the proposed heavier load. The measure also might call for more taxes on public utilities, cigarettes, new automobiles, corporation franchises, insurance companies or amusements.

When the bill is taken up on the house floor, perhaps within two weeks, the house can alter it in part or in whole.

Despite the impending tax developments, the senate easily could take the spotlight away from the house through much of the week. A bill appropriating an extra $26,820,000 a year for social security remained high on the senate calendar. A house bill substantially boosting the motor truck load limit had been amended and reported favorably by a senate committee.

Oil and Gas Commission.

The house state affairs committee had docketed hearings today and Wednesday on the controversial bill to create an appointive oil and gas commission. The new agency would take over the oil and gas conservation duties now performed by the elective state railroad commission.

Similar proposals have been pushed without success before past legislatures but advocates insist that the bill has a good chance of passage this year.

Rep. Augustine Celaya of Brownsville, chairman of the state affairs group, announced that proponents of the bill would be heard today and opponents on Wednesday.

Committees soon may set hearing dates on a half dozen bills recommended by Governor W. Lee O'Daniel in messages delivered personally to a joint session of the legislature four days ago. Included was a proposal that the department of agriculture, livestock sanitary commission, game and fish commission, state water board an dsoil conservation board be merged into one agency to be headquartered at College Station.

Courthouse News

District Court.

Civil matters were being considered in the district court Saturday morning.

Porter B. Swafford vs. Laverne Swafford, annulment of marriage, granted.

Marie Britton vs. Burnice Britton, divorce granted.

Mrs. Overton Heflin Barnett to Corinne Heflin Gaines, East 1-2 of Lots 1, 2 and 3, block 2, Sanders Addition, Frost. $10.

TOTAL PAYMENTS TO FARMERS OF COUNTY IS NEAR $700,000

Two contingents of checks were received Saturday morning at the office of the county AAA at the courthouse for distribution.

A total of 600 checks for 1940 conservation was received, amounting to $32,589.86, bringing the season's total to $296,040.93.

Thirty-six 1940 parity vouchers also were received, amounting to $14,438.08, bringing the total parity to $396,482.86.

CONSTITUTION

(Continued From Page One.)

the insurance man-legislator declared.

"All we need is a simple bill of rights and the rest can be placed in the statutes. While we are at the job we can provide for court and fiscal reform and executive and legislative reorganization to meet present day needs—all in one basic operation."

White, a former instructor in animal husbandry and graduate of Texas A. and M. College, serves the biggest representative district in the state and asserts that many business and professional men share his view.

"They might throw my resolution out of the window but if they do I'll offer it again two years from now, if I come back," he continued.

He thinks a unicameral legislature would be fine for Texas and ought to be considered in rewriting the constitution. He has observed Nebraska's one-house legislature at work and believes it worthy of emulation.

However, this is one of the details that can be worked out later. The big job as he sees it is to get something started and as far as he is concerned his colleagues can alter his amendment just so they pass it.

If for no other reason the constitution should be re-written because it is too wordy, he maintains.

Illustrating this point he opened a book to the constitution of the United States. It was printed on five and one-half pages.

Immediately following it was the Texas constitution—on 23 1-2 pages.

STRIKES

(Continued From Page One.)

plants and head off others at the Lincoln, River Rouge and Highland Park units of the Fort Motor Company.

Secretary of Labor Perkins asked International Harvester and CIO Farm Equipment Workers organization committee representatives to talk over their differences today in Washington. Both acceptedom company plants in Illinois and Indiana have been closed by union demands for pay raises and recognition as bargaining authority for the workers. The company holds millions of defense contracts.

James F. Dewey, federal conciliator handling the Fort situation, arranged to receive and study statements by the management and the CIO United Automobile Workers. He hoped to find in these a basis for mediation.

The union, accusing the company of unfair labor practices, served its strike notice last week. Michigan law requires a 30-day strike notice to companies engaged in national defense work and Governor Van Wagoner directed the state mediation board to determine the Fort Motor Company's status under this provision.

The company has denied the union's accusation.

Services at Bazette.

KERENS, March 3.—(Spl.)—Services were held at the Bazette Baptist church Sunday morning at 11 and again at 7 p. m., at which time the Rev. H. M. Linsey of Baptist Seminary in Fort Worth gave the message. Mr. Lindsey, who also is a singer of note, presented a 30 minute song service preceding each preaching service.

AGRICULTURAL

(Continued From Page One.)

in the President's budget until for the past three years.

At the same time, the committee made four suggestions to the department for future consideration.

1. The report said the committee had been "impressed" with the "evident overlapping and duplication on work" by department subdivisions which frequently results in "excessive" expenditures.

2. Criticism was directed at the practice of "June Buying"—a practice the report described as using unspent money during the last month of the fiscal year for supplies, materials, alterations and repairs. The practice was described as "reprehensible."

Inaccurate Information.

3. The committee said that the rural electrification administration had furnished information regarding personnel promotions which "was not wholly accurate." The report asserted that "this regrettable series of incidents" was of "such grave importance" that it should be called to the attention of the House.

4. The committee called on the department to re-examine its many research and investigation programs because it appeared that some may have exhausted their possibilities "and should be stopped to make way for new and more pressing problems."

The bill carried the customary $500,000,000 for soil conservation payments to farmers, $58,846,130 for rural rehabilitation loans, $100,150,000 for removal of surplus commodities, $47,973,960 for sugar act payments, $25,618,684 for the soil conservation service, $18,022,455 for the forest service and $14,596,918 for the extension service.

The budget had proposed that the REA loans be reduced from the current $100,000,000 to $40,000,000, but the committee refused to make the cut.

Seeking to Solve Farm Migration

WASHINGTON, March 3.—(AP)—Congress learned today that a special committee investigating interstate migration would recommend an attempt be made to solve the problem through a vast expansion of the farm security administration program.

Committee members have reached the conclusion, congress was informed, that only by an "enlargement" of FSA's rehabilitation loan program can additional thousands of farm families be kept from joining 4,000,000 migrants already on the march.

Disclosure of what the group would recommend came in the form of a statement filed with a house appropriations subcommittee by Chairman Tolan (D-Calif.). It was released publicly today with introduction of the 1942 agriculture department supply bill.

Tolan described the FSA loan program as "the cheapest government relief program short of complete neglect, and one which demonstrates its benefits within a year of a client's participation."

Seeking to Improve Quality of Sheep

WASHINGTON, March 3.—(AP)—The department of agriculture is conducting extensive experiments to improve the quality of sheep on western ranges from both meat and wool standpoints.

The bureau of animal industry has been conducting one study, while another is being undertaken with special research funds at a regional research laboratory at Dubois, Idaho.

The report was made to a house appropriations subcommittee during hearings on the agriculture department appropriation bill for 1942, introduced today.

The bureau told congress that its results to date showed that such factors are high merit in length of fiber and weight of fleece, plump mutton form, and freedom from wool blindness could be fixed in strains by inbreeding.

New Kerens Boy Scout Troop.

KERENS, March 3.—(Spl.)—Under the direction of E. C. Hess, Jr., who will serve as Scoutmaster, a new Boy Scout troop was organized here last week, to be known as Troup 20. Nathan Crawford will serve as assistant Scoutmaster. Any boy of the Kerens community who is 12 or more years of age and interested in scouting is invited to attend the meetings, held each Thursday night at the Baptist church.

INCOME TAXES

(Continued From Page One.)

from $1,000 to $800 for single persons.

Anyone with more income than these figures must file a return, whether he has enough other deduction to escape tax or not. This means married persons earning more than $38.47 and single persons earning over $15.39 a week must file.

Then, congress added a 10 per cent "defense tax" to all income taxes. If your tax figures at $10, you pay $11.

"The "normal" individual income tax is still 4 per cent but some of the "surtaxes" which range from 4 to 75 per cent have been increased sharply.

YMCA Board to Plan 56th Year's Program At Meeting Friday

Plans for the fifty-sixth year of operation will be formulated at a called meeting of the board of directors of the Corsicana YMCA Friday morning at 7:45 o'clock at the Association, according to an announcement today by officials.

President Beauford H. Jester will preside. All members are urged to be present.

Mexia Doctor Killed.

MEXIA, March 3.—(AP)—Dr. E. E. Thomas, 71, prominent physician in this area, was killed late Sunday night when his automobile struck the rear of a truck at Tehuacana. His wife and two sons survice.

Relief At Last For Your Cough

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)
